1078

Kim,

Don't I seem that  
the three years of High  
school went by so fast.  
It only seems like last  
year when we were  
wrestling cheerleaders together.  
I have a great senior year and  
a great future.

Jodi Eckstorn  
1979

From one short person to the next,  
I wish you all the luck  
in the world. I hope you  
never forget the times that  
we acted so weird in the  
halls and everyone looked  
at us. I can't believe the  
is one last year. Keep as  
much as you are and you  
will make it a long  
way. Good luck  
Best Friends

Kim,

Kim, really I  
love you. I hope  
you are the future.  
Love  
Jodi

Kim  
To a really nice  
girl who live known  
though G.B. but I've come  
to like better and better.  
And hope that you know  
How to do accounting because  
I don't. Have fun in  
your classes don't

What a little,  
Sweetheart you are!  
Even though I don't  
know you well, I'm  
sure I'd find the  
same warm, loving  
person I think  
you are. May God  
Bless.

Kim,  
So a very  
cute and sweet  
girl. Good-luck  
in the future and  
have fun. I'm glad  
we're friends. Love a  
sweetie. Love ya.

# Huskies Go Marching On

The 1977 Homecoming parade was staged at 5:30 P.M. on October 19, and got the evening off to a spirited start. The Homecoming theme was "Stairway to Heaven." Our lovely Homecoming queen, Bonita Roggow, was escorted through the parade by Grand Marshal Steve Root. Four groups entered floats this year: the school, the band, the Girls Scouts and Brownies, and the Hemlock Boosters. The Huskie band set the mood with its lively music as the parade rolled through town. There was a large turnout of excited spectators to watch the parade. The success of the parade left a promise of greater things yet to come.

Greg and Bonita

The Homecoming half-time ceremony was a night to remember. Last year's queen, Lori Kricher, crowned our 1977 queen, Bonita Roggow. Our 1977 king, Greg Awad, was presented with a commemorative cake at the Homecoming Dance. Bonita received a bouquet of roses from Principal Lawrence Baumann. The queen's court--Diane Lynch, Brenda Roggow, and Linda Warner--all received a lovely rose. The king's attendants were Rocky Brandel, Mark Brown, and Matt Stavely.

# Huskie Gridders Put It All Together

Our mighty Hemlock Huskies did their stuff on Homecoming night, and they did it well. They overwhelmed Swan Valley with a stifling defense, as well as a quick-striking offense. Everything just seemed to go right, and when the game was over, it was Hemlock 14, Swan Valley 0. It was a great win for the players and coaches, each giving his best. This storybook victory topped off a very successful season. The Huskies went on to post an 8-1 record, beating many fine teams.

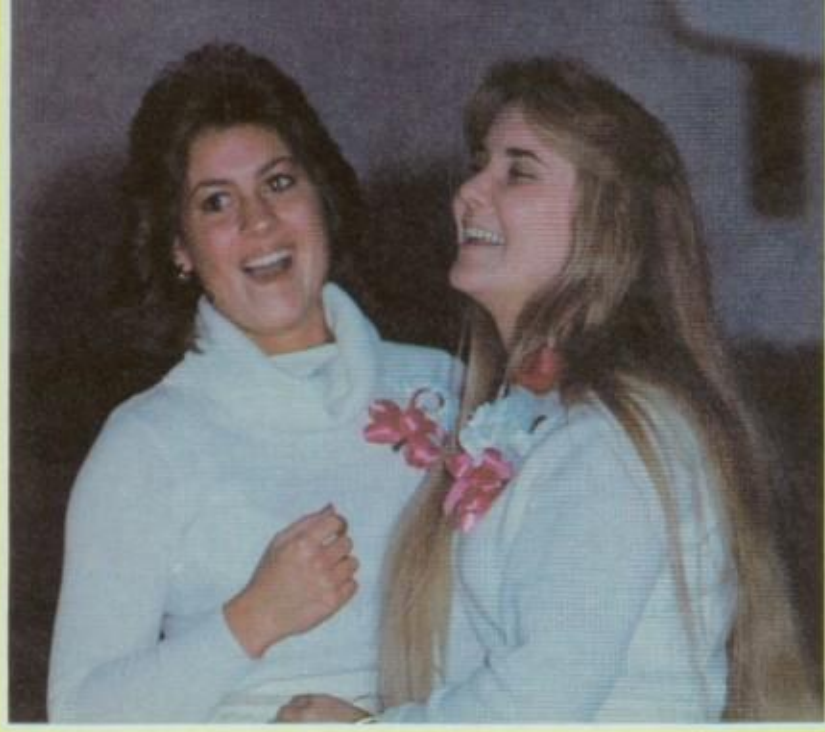

I'm stunned!

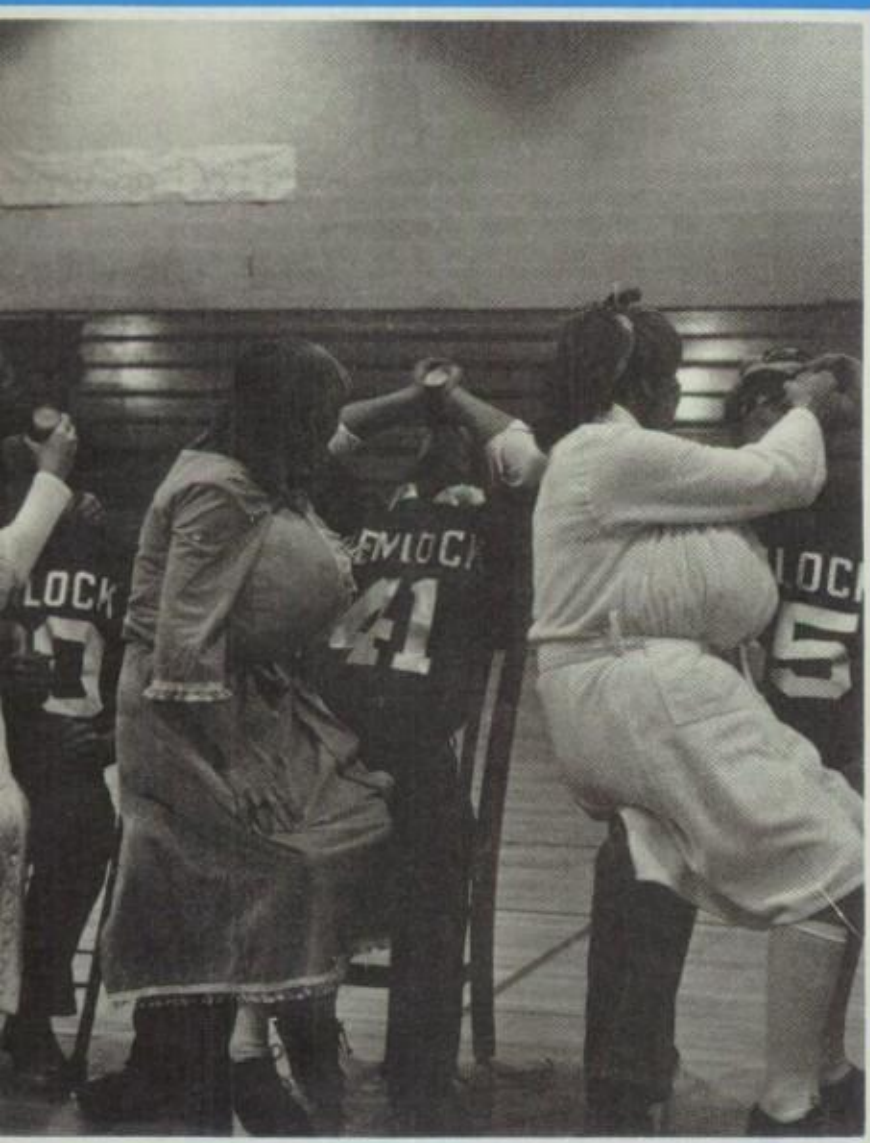

Decent, baby!

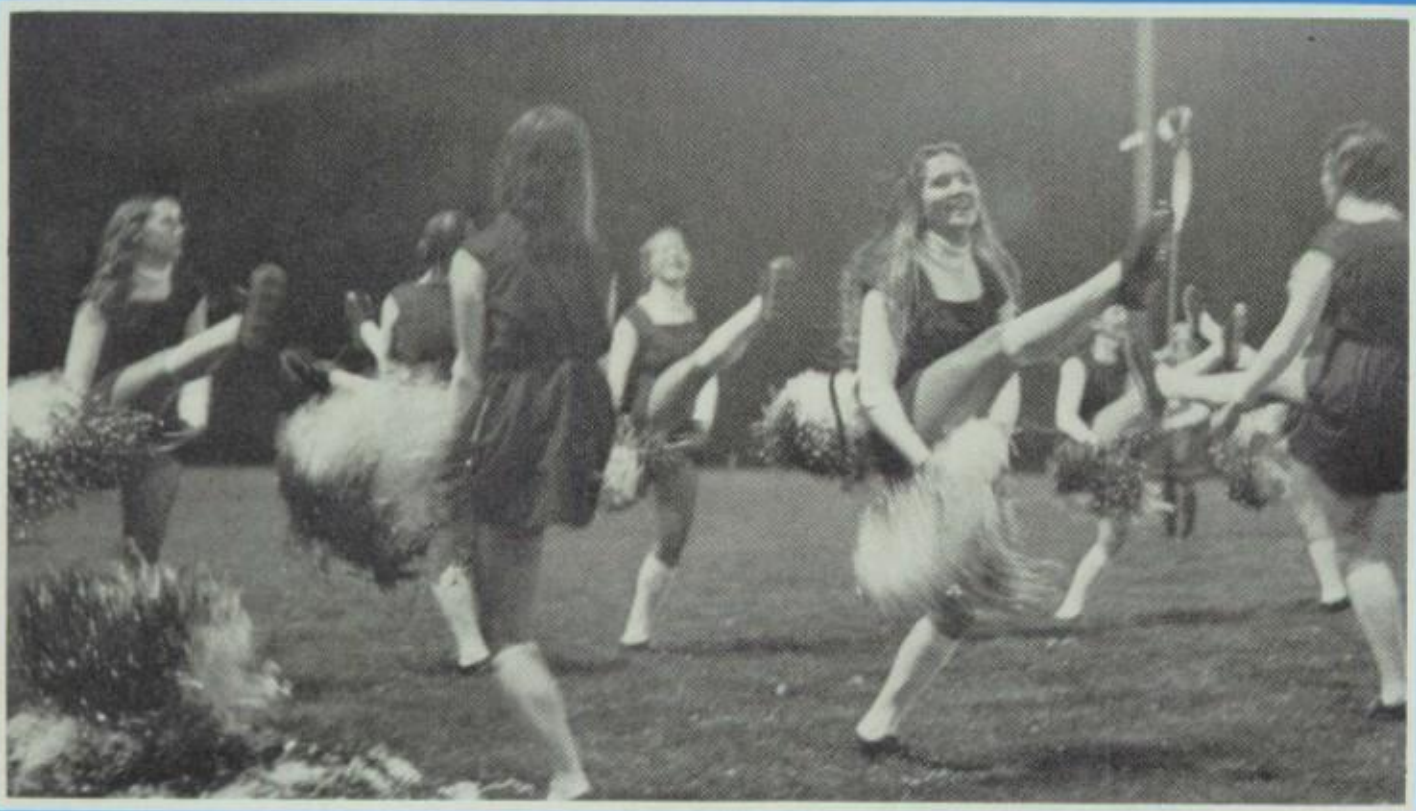

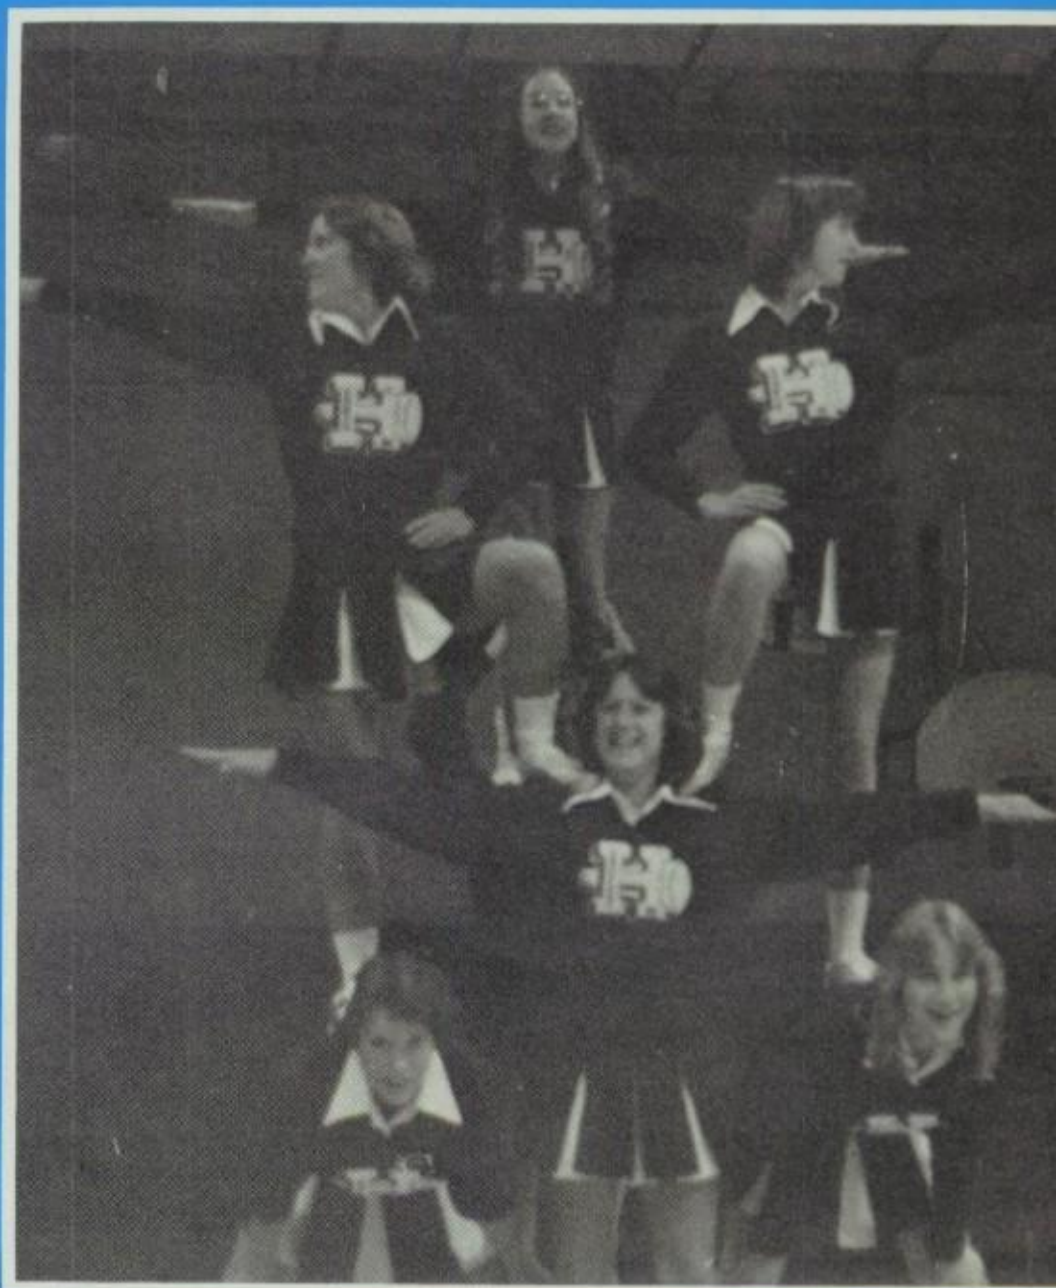

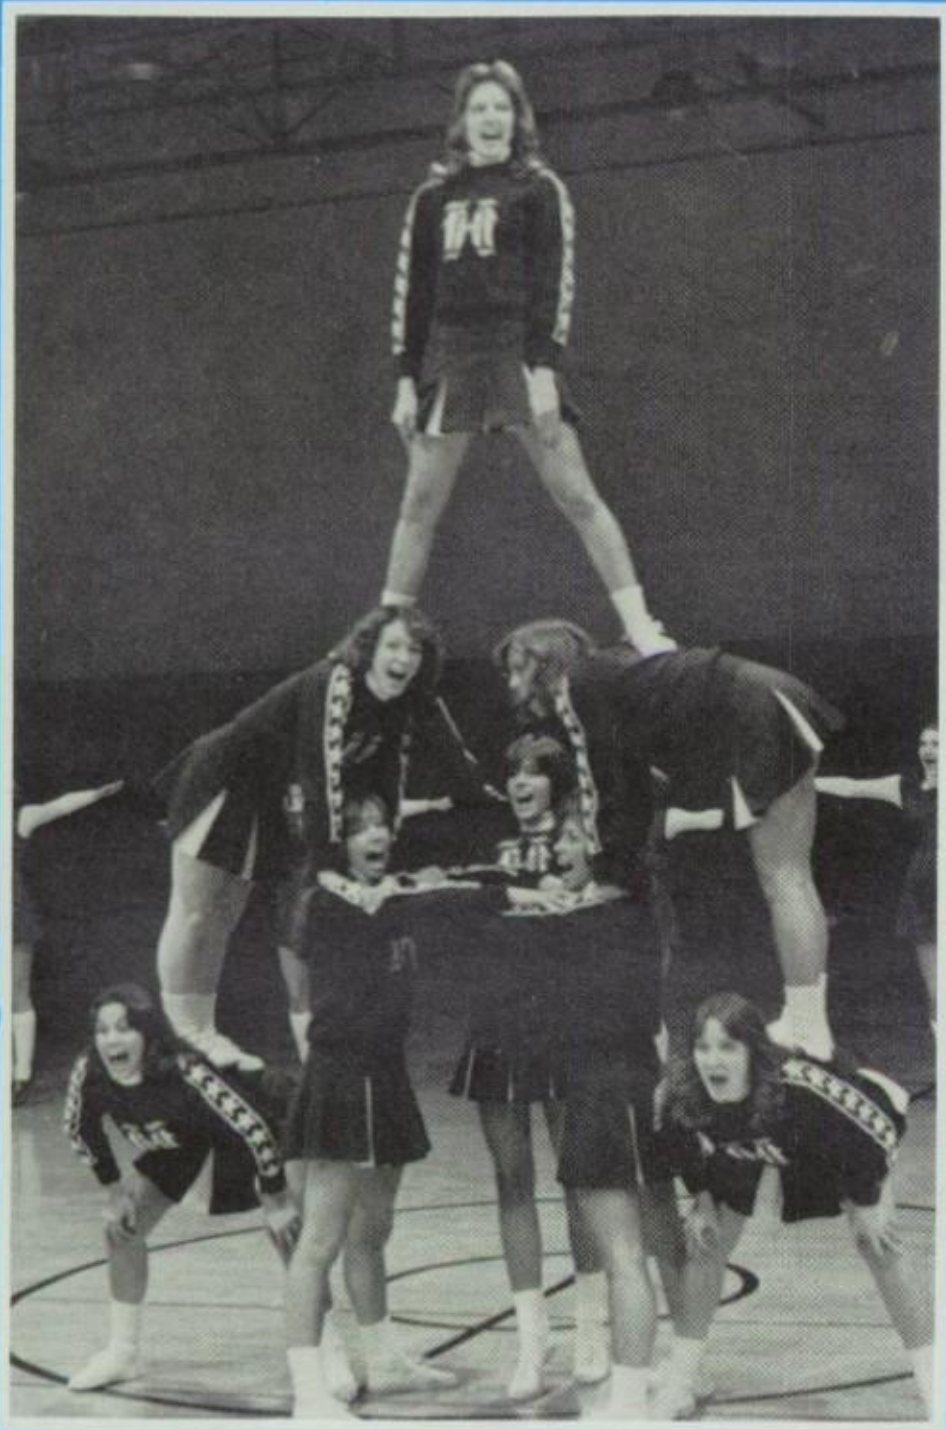

# Spirit Movers!

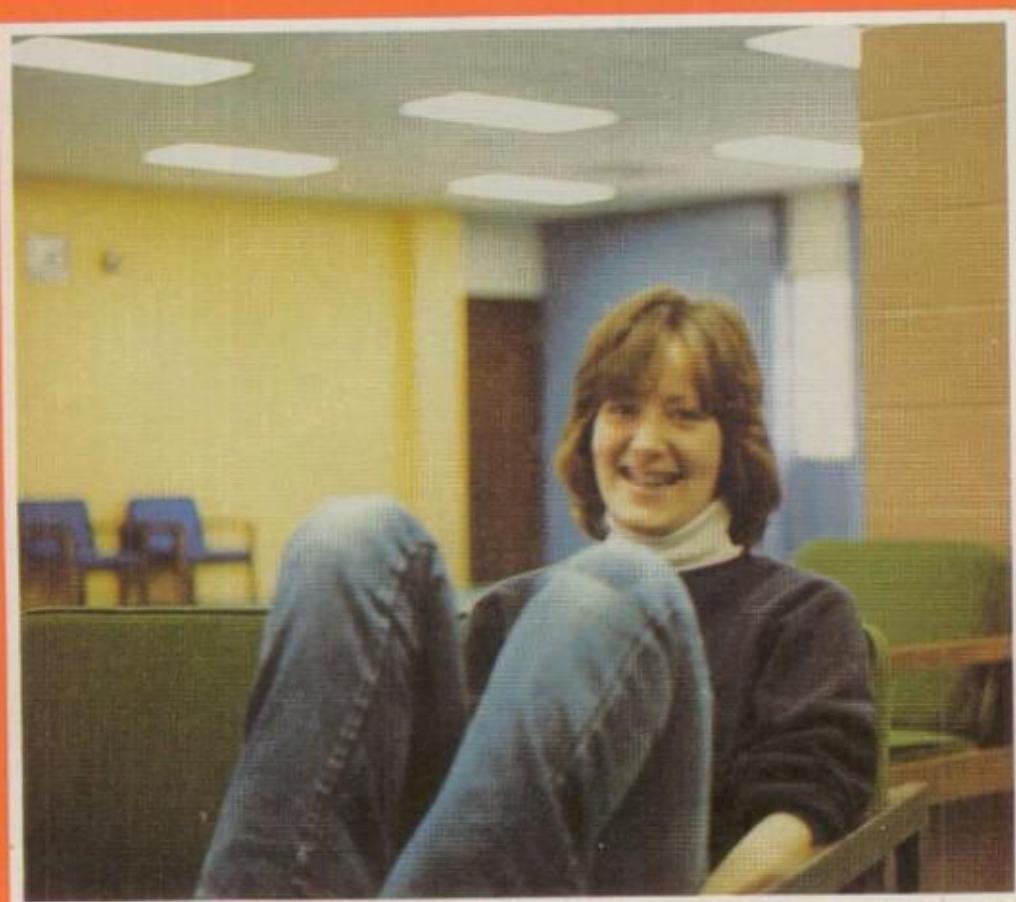

The Hemlock High School cheerleaders and pom pon girls devoted much hard work and time to bringing spirit to our school. Whether at football games or at pep assemblies, these girls were always bubbling with excitement. They encouraged our guys to win and the spectators to cheer. Every school needs spirit to keep its student body active and happy, and our cheerleaders and pom pon girls did a great job. These special, dedicated girls have made this year a success with their lively personalities.

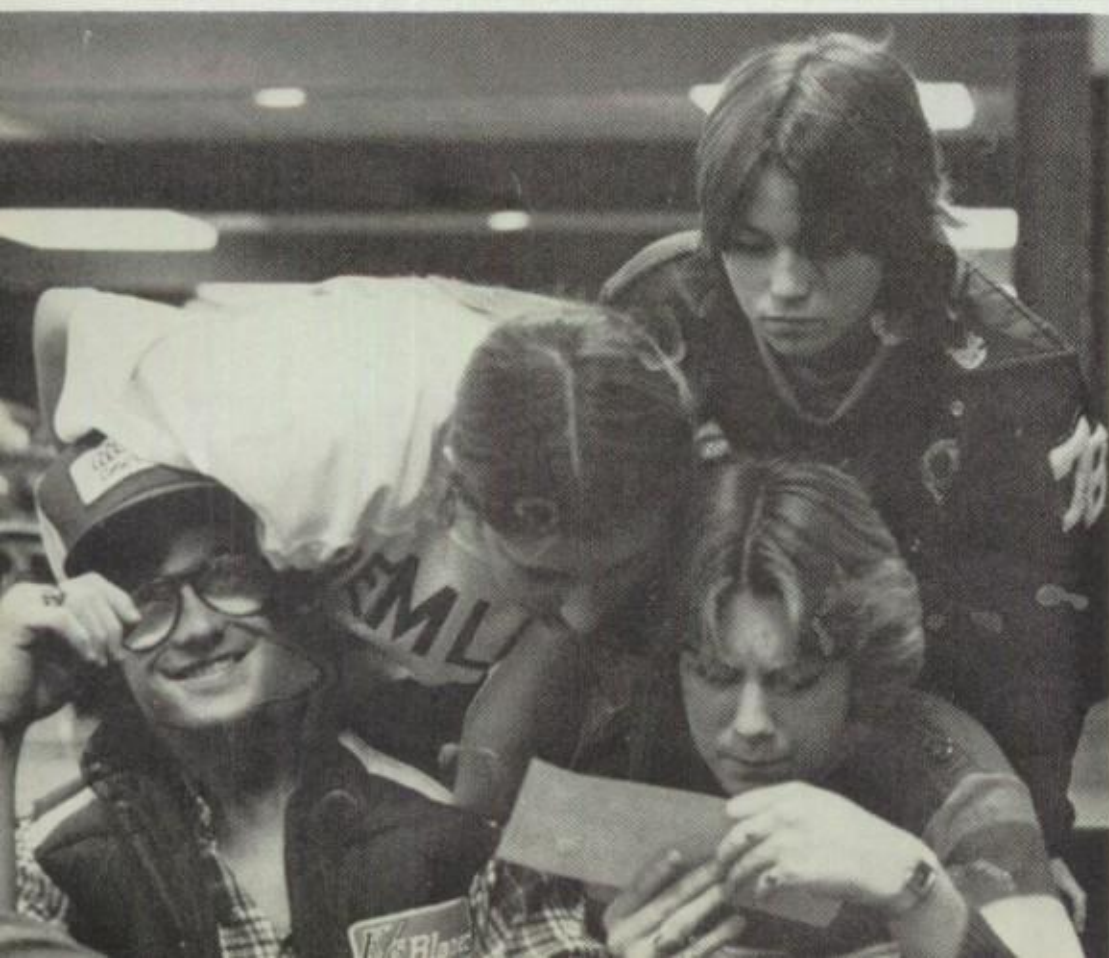

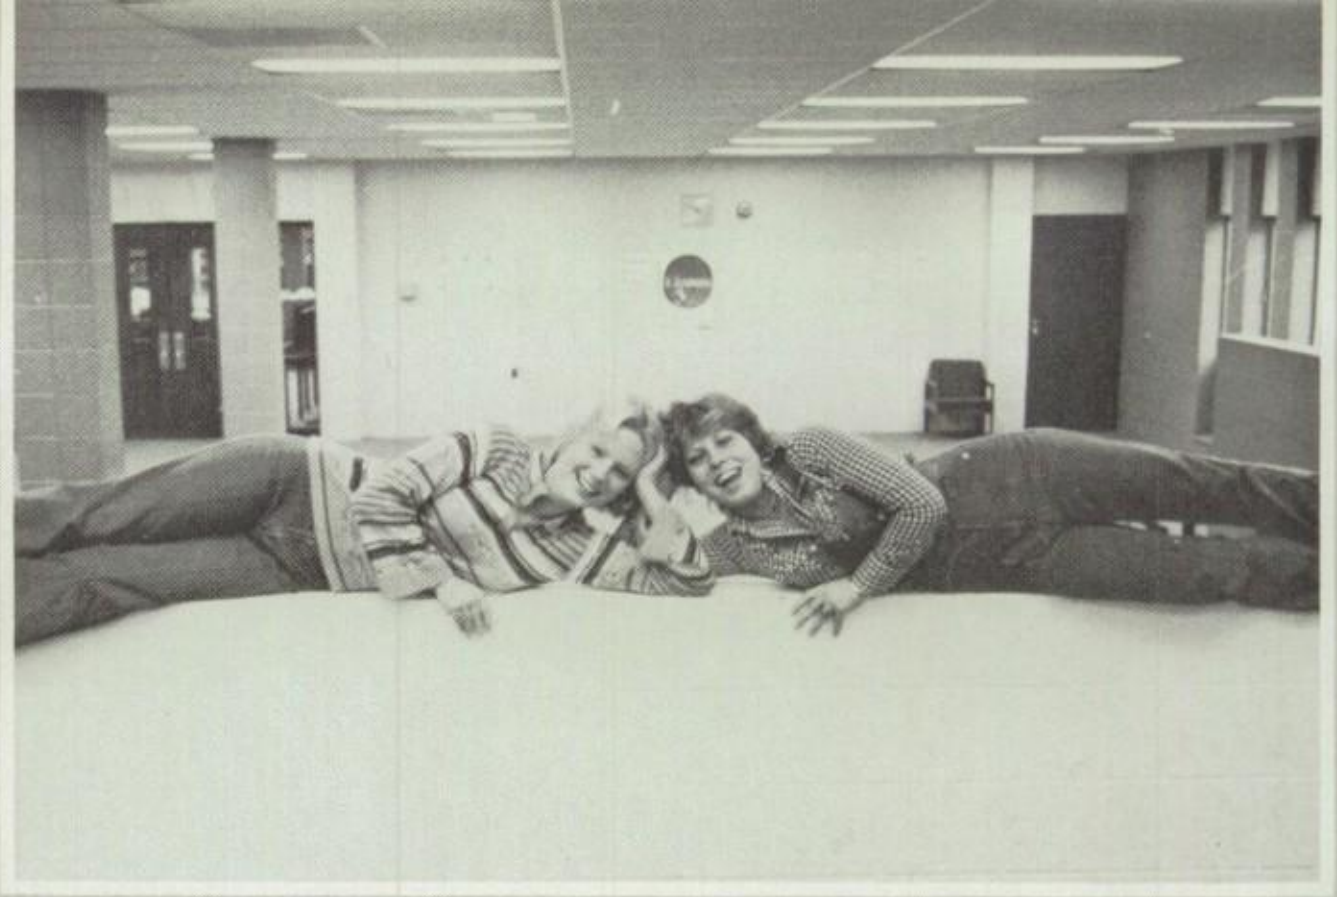

## Take A Walk On The Decent Side!

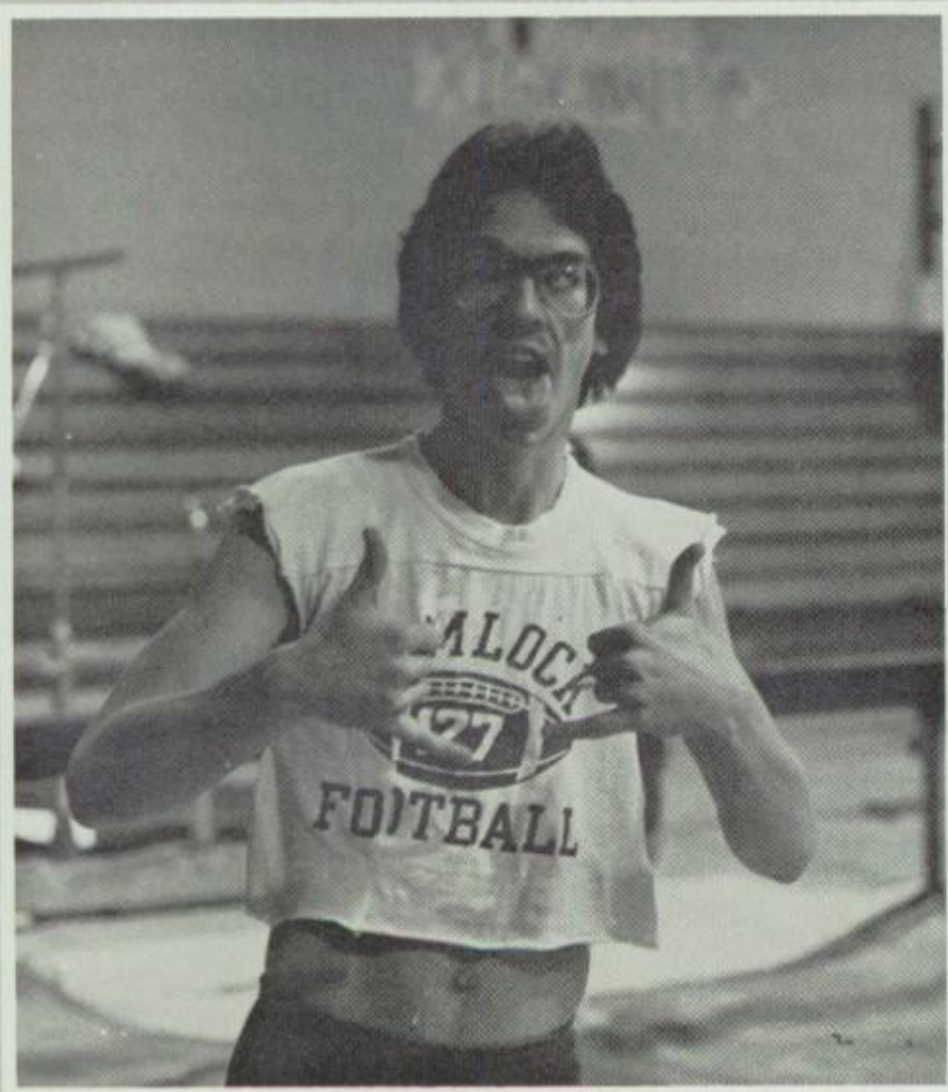

Most people like to mix a little play with their work. Hemlock students are no exception, as these photos by Tom Rogers and Diane Abke show. Free time and friends are usually the main ingredients to start the ball rolling; then, watch out! Lunchtime was a favorite time for relaxing, talking, laughing, and getting to know people. These special times, with friends, are memories which we are not likely to forget soon.

Hemlock students are a special bunch of people, indeed, and with such a great supporting cast, it's little wonder why. The teachers, special service people, administrators, board members, and others who make this school run smoothly deserve great credit for their efforts. The student organizations, sports teams, and all of the dedicated students who give their time and talents for their school are greatly appreciated and will be remembered. The many activities which occur in our school are events which will also stand out in our memories. This section of the Yearbook honors the people, and activities which make our school one of the best . . .

## Central Administration

# Keeps Us Moving

The basic job of the central administration is to set school policy, to direct the educational program, and to seek funds for the operation of the school district. This year the public schools had some difficulties because of the defeat of the millages. Many drastic cuts were made in all of the Hemlock Public Schools. For example, classes were cut out, teachers were laid off, and the sports program was eliminated. Although we suffer losses, we still go on.

# High School Administration Gets Things In Order

The high school administration mainly keeps the school operating smoothly. Principal Lawrence Baumann is the chief administrator. Assistant Principal Glen Rick is the athletic director. Secretaries Maureen Murphy and Joan Rivard do their best to assist every student. These four people work exceedingly hard to make our school what it is today. Librarian Bea Wallace keeps track of every book lent out. Counselors Judy Shearer and Jim Sheltraw help students with their problems.

## Services

# Keeps The System Running Smoothly

The people who perform the many services are greatly appreciated. Our school system would not be complete without them. These people include our custodians, bus drivers, maintenance men, and canteen lady. They all put in many hours to keep our school system running accurately. We depend on these people to help us through each day. They keep the pace of everyday life smooth here at Hemlock High.

## English

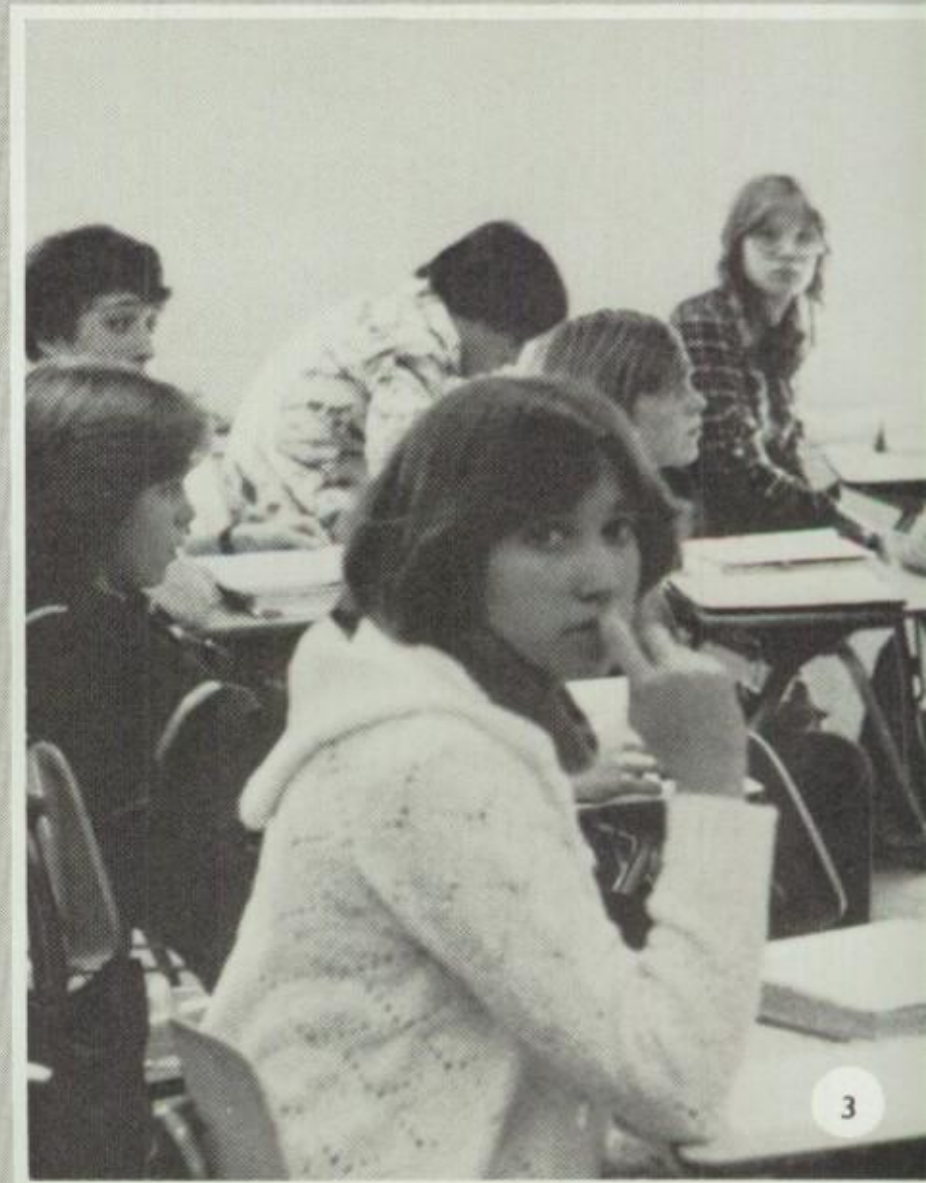

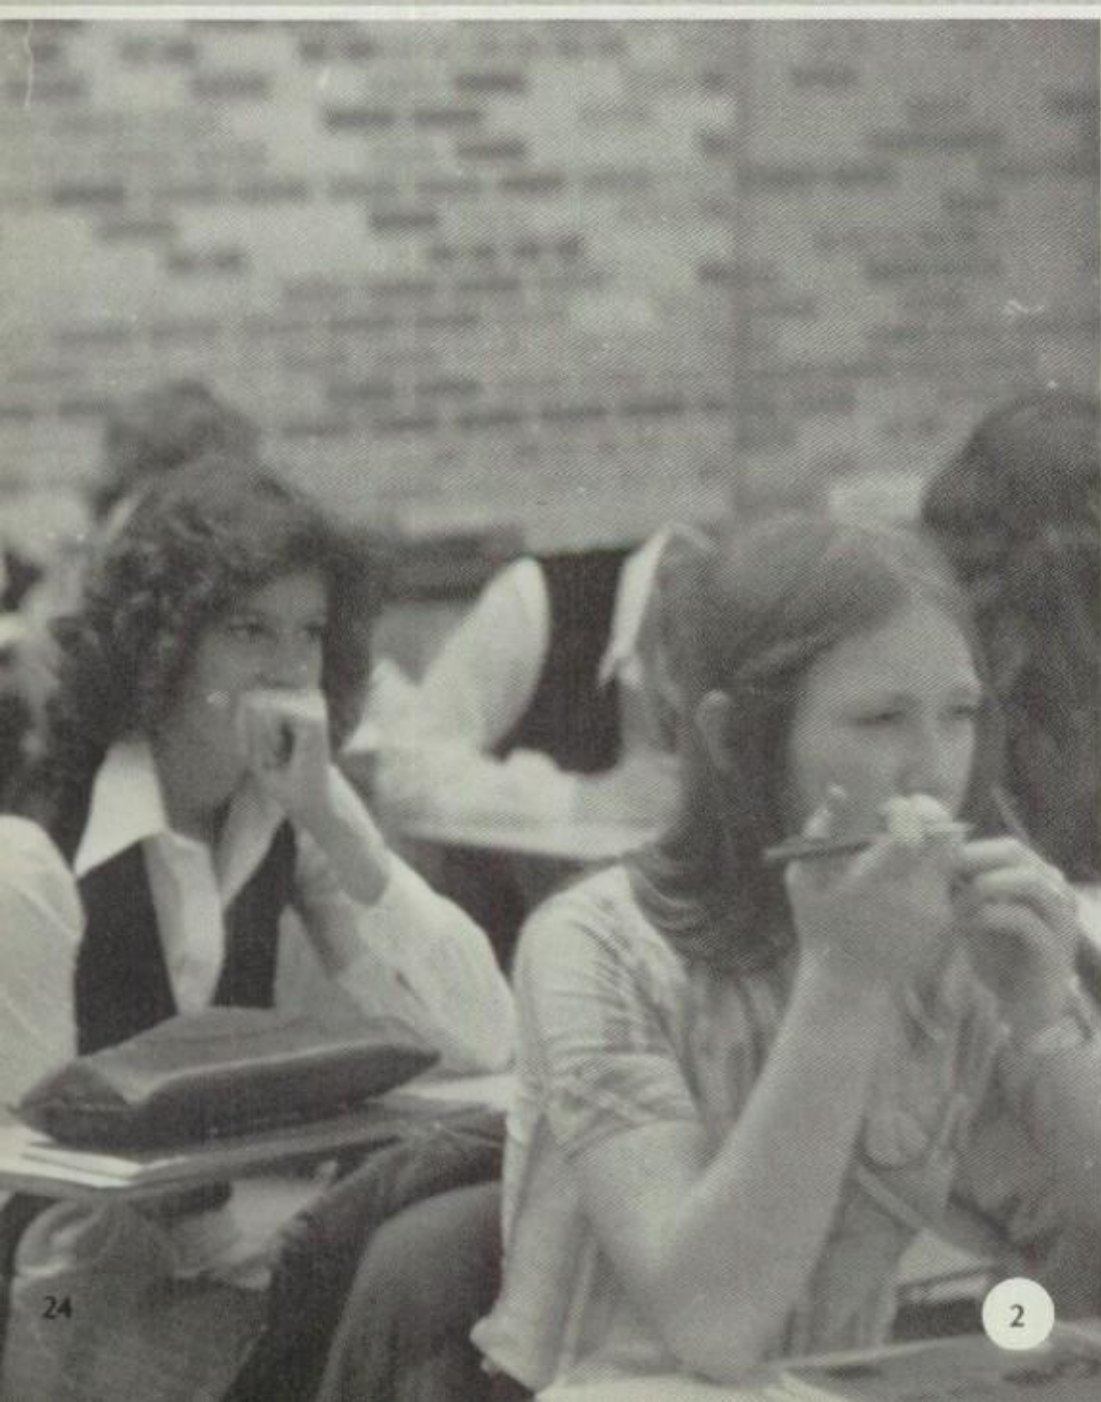

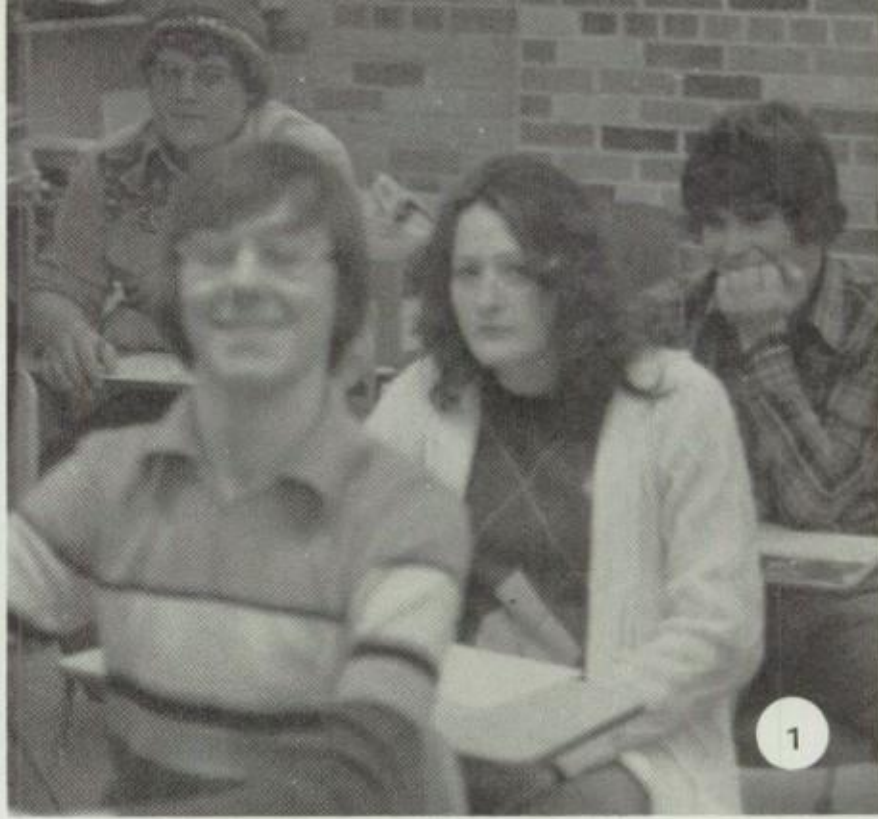

# Building Basics

There are numerous classes in the English program. The required standard English classes cover the fundamentals of reading and writing. The reading lab helps one improve his English Skills. Journalism concentrates on writing a paper. For the college bound senior, College English is available. Many of these seniors believe that, "College English is a class that will help out in the future." A variety of other English courses are also taught to fill the three year requirement.

## Math/Science Rewarding Classes

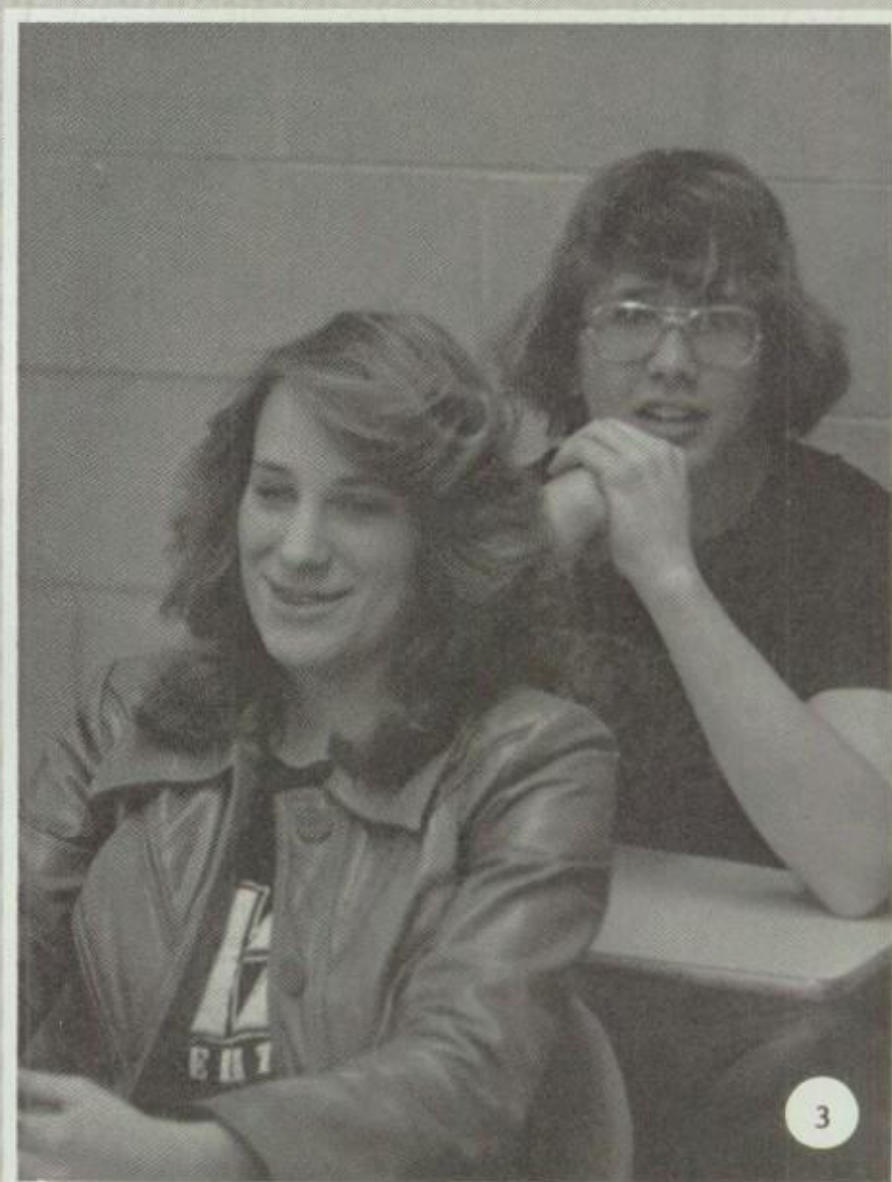

The math and science areas are interesting. Many appealing courses are taught and there is only a one year requirement for each. The math classes include general math, Algebra I and II, geometry, trigonometry, calculus, and computer programming. The science classes contain general science, Biology I and II, Chemistry I and II, and physics. These are all rewarding classes.

## Social Sciences

# Rules Of Yesterday And Today

Most of the social science courses are required. A year of American history is a requirement for juniors. Practical American history is offered for the poor reader. One semester each of age of majority, government, and economics are taken in the senior year. These classes give us the support we need to face our world today and tomorrow. In the foreign language program, German I is the only language taught.

## Business Soars To Success

If one plans to enter into a business career, there are many business classes offered. Typing I and II, Accounting I and II, general business, business math, shorthand, and steno-secretarial are all excellent courses being taught. The fine arts program is yet another area for a future career. The band department consists of a marching band, a concert band, and a stage band. The art classes include Art I, drawing and painting, and commercial art.

## Physical And Health Education

# Skills For A Healthy Life

Physical and health education classes are both required classes. They both are to develop students mentally, physically, and socially. The special education program teaches reading, writing, communication, math, and consumer education to the special students. They sold white and chocolate milk this year as one project. The home economics classes help one cope with everyday situations that everyone encounters.

## Agricultural, Automotive, And Industrial Education

# The Foundation That Makes Our World

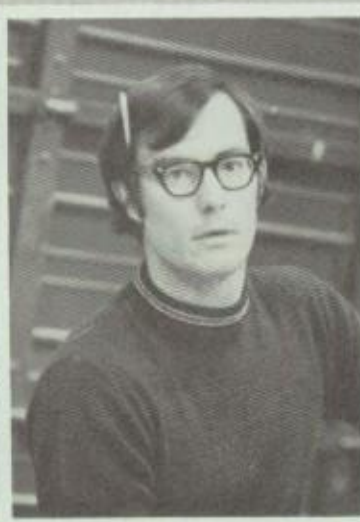

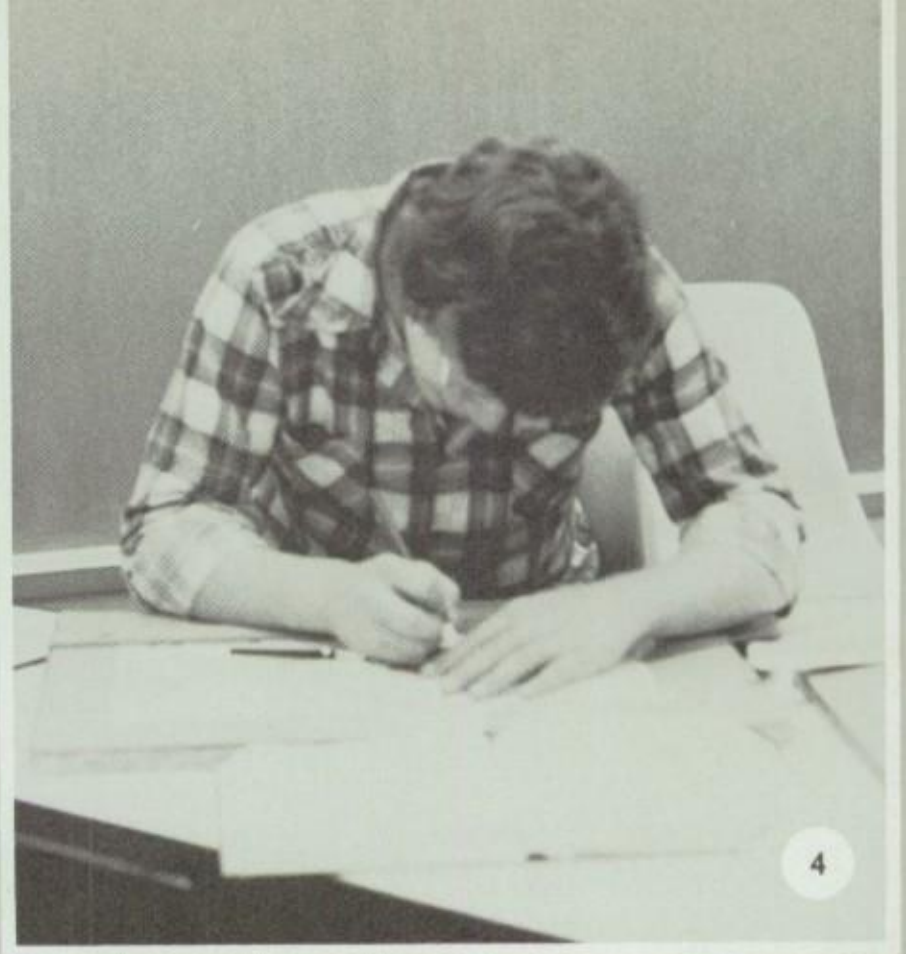

The agriculture, automotive, and industrial courses are those where the student works with the equipment that he studies about. The classes offered are engine tune-up, auto body, engine overhaul, Auto Body II, basic auto, Vocational Agricultural Mechanics 200, introduction to vocational careers, plant science, animal service, Wood I and II, Metal I, Mechanical Drawing I and architectural drawing.

## Organizational Classes

# Career Classes Give Experience

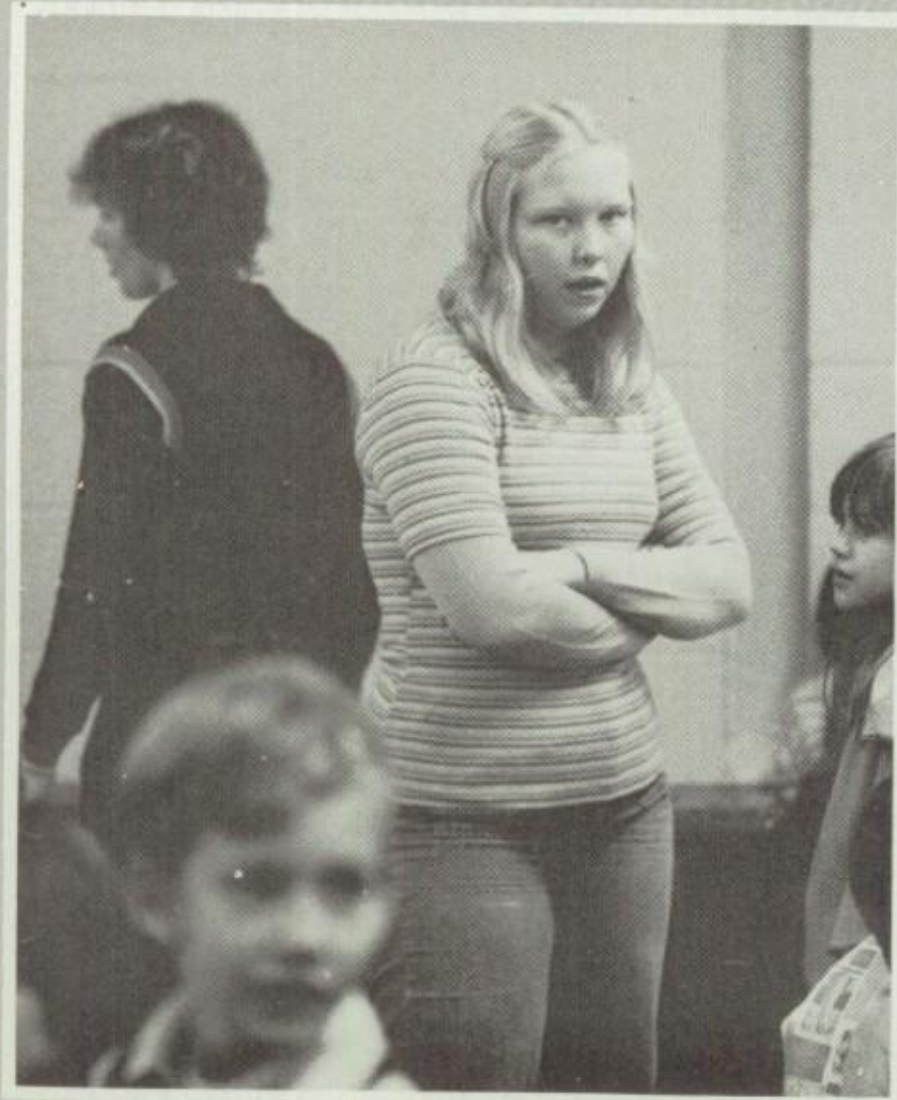

These organizational classes help students prepare for their forthcoming careers. The future teaching program is for juniors and seniors who plan to teach. Library aides and office aides gain a background in the secretarial field. The shared time classes--at Freeland, Merrill, Swan Valley, and St. Charles--are in two-hour blocks. Classes available are: small engines, building trades, auto mechanics, welding, and nurses' aides.

## Shared Time Classes

The shared time students are: Brian Lemmer, Don Martin, Mike Davison, Jeff Davison, Carl Buckey, Mike McClure, Delbert Gilbert, Al McMahon, Dennis Savage, Tom Carson, Matt Stavely, Paul Eimers, Mark Lincoln, Martin Jeschke, Mark Hildebrant, Chuck Wurtzel, Dave Schornick, Julie Lynch.

# Today's Leaders

## Student Council

Student Council is an energetic group of people elected by fellow students to govern the student body and arrange the activities to lighten the routine of everyday school life.

One of their first tasks was to arrange freshman class elections. During Homecoming, the group organized the annual parade. They also manned the concession stand during the basketball season. Student Council sponsored two assemblies--a singing group from "Campus Life", and an energy conservation assembly. In November, a dance was held featuring "Quiet Fire." In April, a T-shirt and flashlight disco was a big success. A highlight of spring activities was a donkey basketball game. Student Council ended their active year by holding elections for next year's representative?

# Class Of '81

This past year, even though the freshmen hadn't participated in very many extra-curricular activities, they still learned a lot. It isn't easy being a freshman because of the big change from Middle School. Responsibility is almost a necessity in the High School. A hard part of being a freshman is going from the top class in the school to being the bottom. With the experience gained this year, the freshmen shall become an active and strong sophomore class.

## Class Of '80

Sophomore Class Officers (l. to r.): Sally LeClair, secretary; Deanne Krueger, president; Jeanne Sageman, treasurer; Tim Albosta, vice-president.

The Sophomores, with the help of Mr. Vree their class advisor, surpassed all their goals. In December the sophomores sold Christmas wrapping paper to raise class revenue. Then at the end of the first semester the sophomores ordered their class rings. In March they sponsored the Sadie Hawkins Dance.

## Class Of '79

The Junior class was quite active this past year. As the year began, they sponsored the homecoming dance. Right away they began the job of learning the lines to the play "Mummy Sea Mummy Do" so that it would be ready to be presented in January. To raise money the junior class sold seat cushions and Oompas (a kind of candy). Next the students organized the Jr./Sr. Banquet. Finally the class put on the Prom. Their Advisors were James Blue and Maureen Murphy.

Junior Class Officers (l. to r.): Michelle Wise, secretary; Dean Darby, treasurer; Eileen Weichmann, president; Tom Rogers, vice-president.

## N.H.S. Leaders Of Tomorrow

National Honor Society members at Hemlock High set a standard of academic excellence for their school. The N.H.S. is a group of students with grade point averages of 3.00 or better. Senior members of the N.H.S. receive golden ropes at graduation which are worn over their shoulders to symbolize their four years of hard work and accomplishments. These people are tomorrow's leaders.

## Marching Band

### The Band Plays On

Already in the summer the Marching Band began to practice for their '77-'78 season. They attended a Summer Band Camp August 8-13. They learned routines to do at half-time for football games.

In September they performed at the Freeland Apple Festival. They took a 1st place award there.

The band also went to Band Day at Ferris State College on October 8. On October 15 the band competed in the Michigan School Band and Orchestra Association Marching Festival.

A Rock-a-Thon by the band students supplied money to help pay for their band uniforms. Near Christmas, the concert band gave a concert for the public.

In February the H.H.S. concert band competed for grades in the District Solo/Ensemble Festival. Then in March, they played at the State Solo Ensemble.

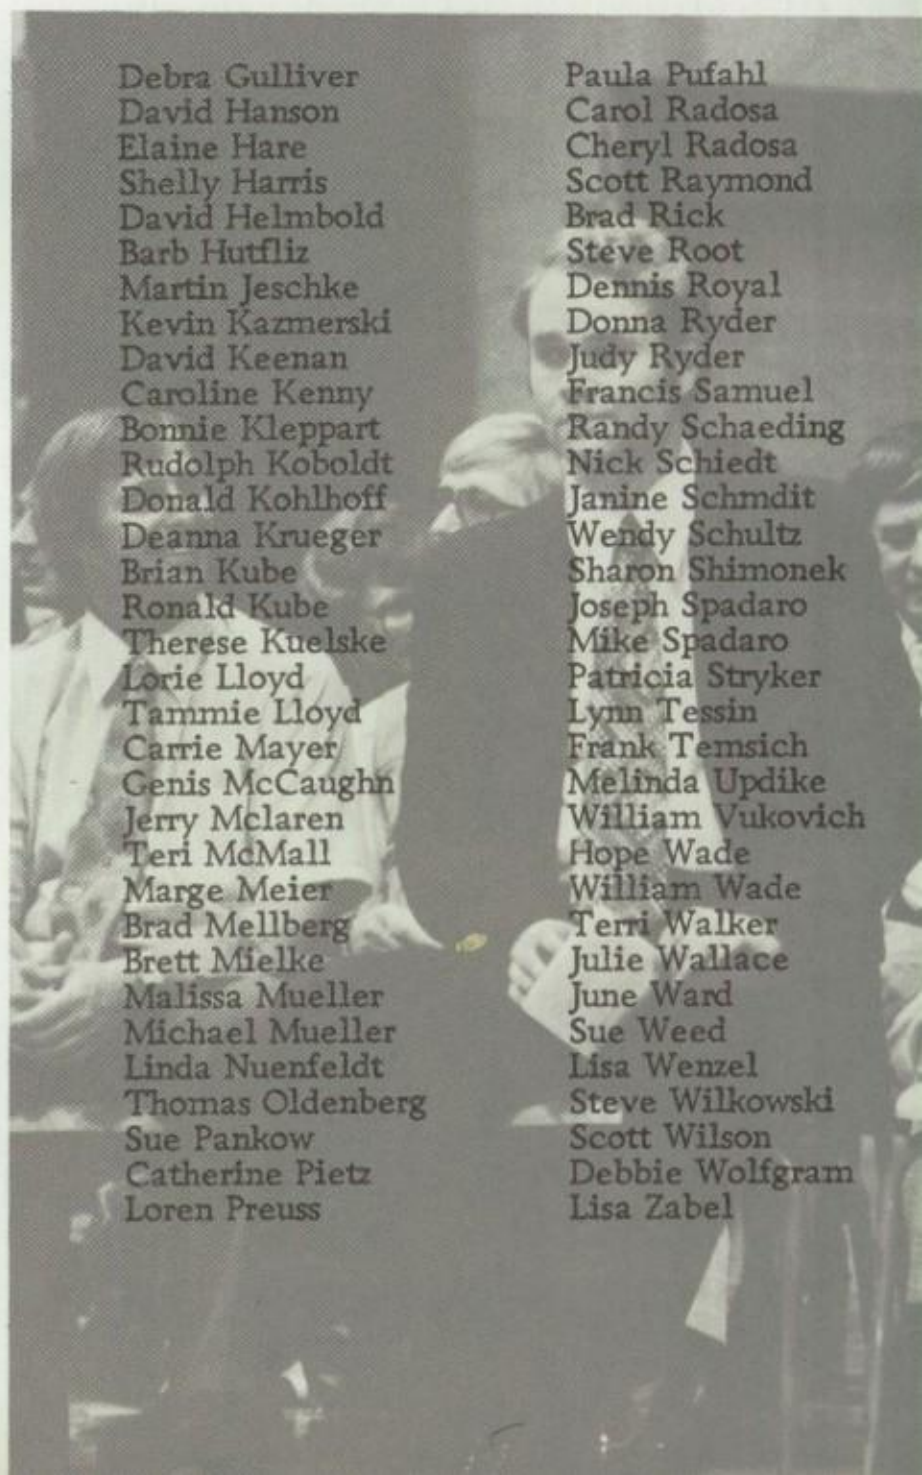

On May 21, a chicken barbecue was held before a spring concert in the Richland Township Park.

# We Are Gathered Here . . .

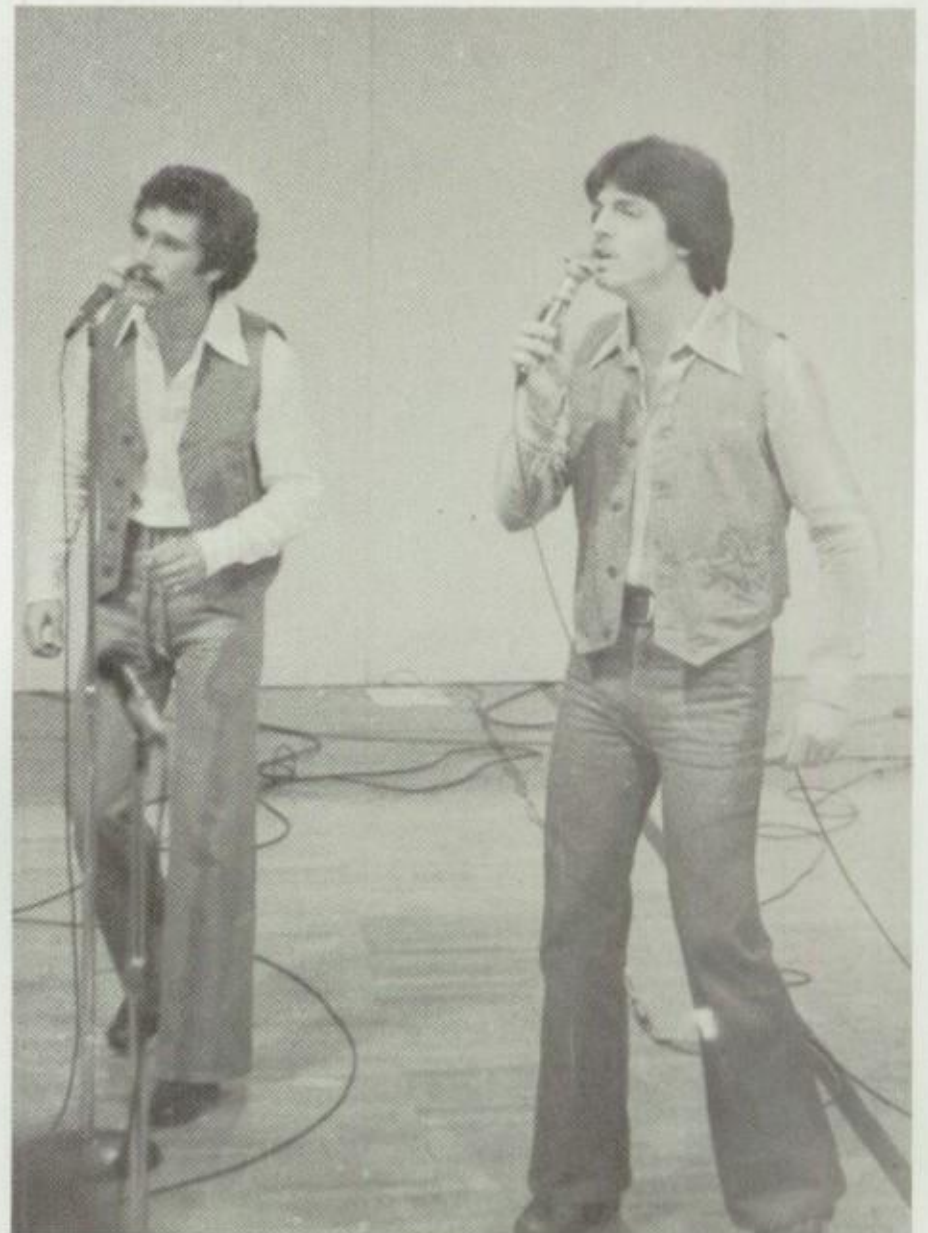

The few assemblies that we had were entertaining and enjoyable. This year an historical precedent was set here at H.H.S. -- our first slave auction sponsored by the seniors to raise money. Curt "Ernie" Varner sold for \$12.00, and was a top slave. Another memorable assembly was the energy presentation by Oakridge Associated Universities, which was a "hair-raising" experience for Dave Schafer. A musical comedy-drama act from Campus Life shed a different light on the subject of high school life as the crowd intently observed. Everyone was glad to get out of class during third hour for the usual pep assemblies which aroused the Huskie spirit. All in all, we will fondly remember those fun times.

Only Dave's hairdresser knows for sure!

# Gettin' Down

"Flashlightmania"

She likes 'em tall!

"Shake your booty"

Dances were always a highpoint of student life at Hemlock. They occurred once a month and always drew a heavy crowd. Two bands, "Quiet Fire" and "Ceyx", played here this year. Huskie dancers preferred the radio stations, such as WHNN, over live performances. But the most popular and best dance of the year was on April 7, when Greg Awad's "Disco Mania" hustled the crowd with all of the great songs to dance to, and a fantastic light show to top it off. H.H.S. was the place for fun and that's where it all happened.

# We've Got The Spirit

The 77-78 cheerleaders were dynamite, as their winning in various competitions proved. During the summer, the cheerleaders went to Northwood to learn new routines and cheers. Varsity won the best pom-pom routine and was voted most spirited squad by other cheerleading squads. On October 8, the Varsity cheerleaders attended DCA Michigan Cheerleading Championships Day. They got 1st place out of other Class B squads. In February, they went to regional competition and qualified to go to state. There they finished 3rd in Class B.

The cheerleaders also gave the football and basketball players candy bars and other treats.

All the Huskie cheerleaders worked hard to lead their teams to victory.

This year's pom-pon squad had an exciting, successful year. They made up entertaining routines for most all of the football and basketball games. The pom-pon girls also organized the parents nights for both football and basketball. These girls did a beautiful job in performing for Huskie fans. They provided the atmosphere that was needed to gain enthusiasm to win the games. The girls sold candy canes at Christmas time to earn money to pay for their uniforms and expenses. Our school could not do without this spirited squad.

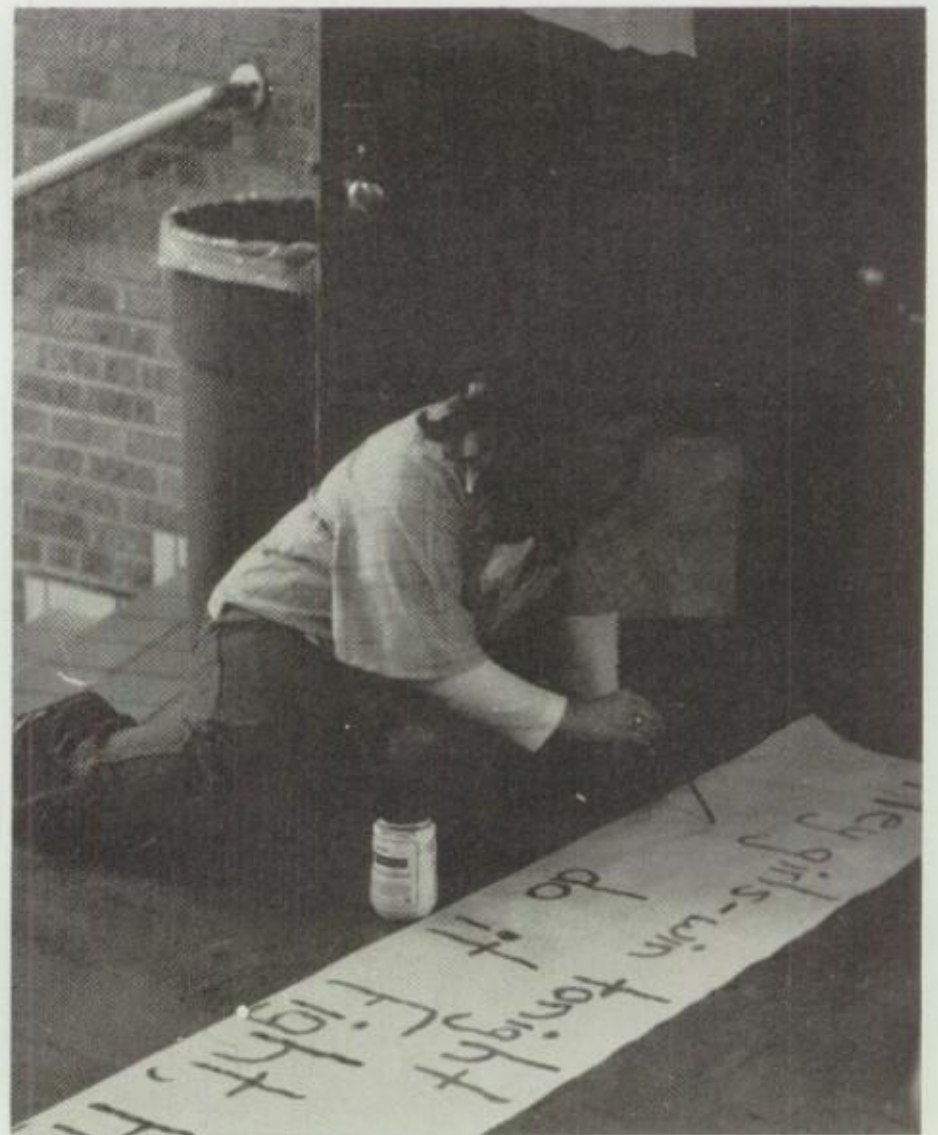

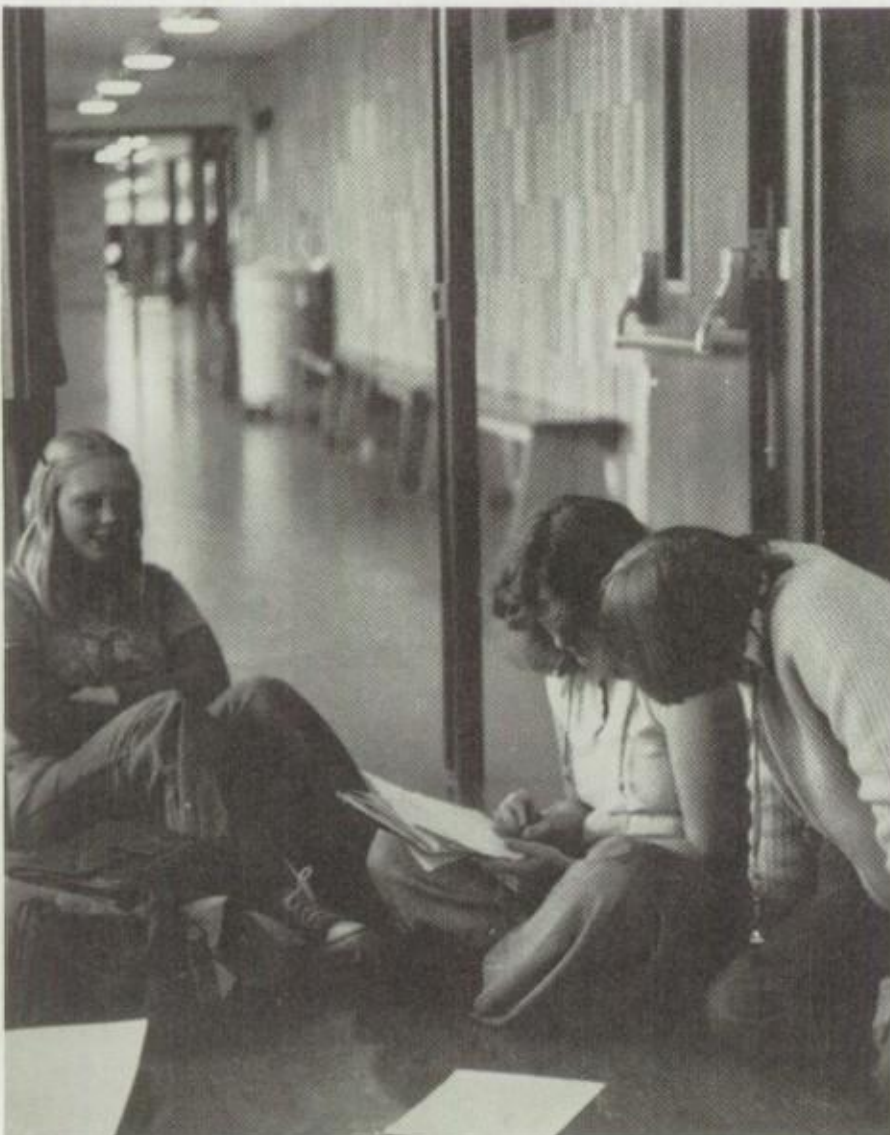

## Their Speciality Is Spirit

This small group of Hemlock girls worked hard after school to paint signs for the halls. They also decorated the lockers for the guys and girls sports. The pep club worked twice a week thinking of peppy mottos which encouraged school spirit among the students and players.

## B.O.E.C. Winners By Far

Business and Office Education Club (B.O.E.C.) is a vocational club sponsored by the Michigan Department of Education. Students participate in many areas of business occupations such as, accounting, typing, prepared public speaking, spelling, and various other skills. Regional competition was held at Baker Junior College in Flint on February 11, where 27 people qualified for State competition. Hemlock received the 1st place traveling trophy to keep for one year. State competition took place on March 11, 12, and 13 at Southfield's Sheraton Hotel. Mr. Adams was chaperone along with Mr. Luebker, the advisor. Three participants qualified for national competition in Detroit at the beautiful Renaissance Center. These people Bonita Roggow, Diane Abke, and Lynne Hawrot put forth their best efforts to represent Hemlock. Bonita placed 6th in Prepared Verbal Communications II and was the only Michigan student to win an award in speech. During their stay in Detroit, the three girls and Mr. and Mrs. Luebker toured Greenfield Village, Fort Motor Co., Winsor, Canada, and the Renaissance Center. They heard an exciting speech given by Jesse Owens, an Olympic gold star medalist.

This was Hemlock's 3rd year in a row to qualify for national competition. Because of Mr. Luebker's enthusiasm and determination to win, it was a successful year for B.O.E.C. winners!

The Future Farmers of America did many things this past year. They sent three of their members to the National Convention in Kansas City, Missouri. They were there from November 8-11. The students who attended were Wayne Bowden, Jim Howe, and Brian Frederick. These people brought back much valuable information for their chapter.

The F.F.A. sold fruit from Florida to the Hemlock community. In the spring, they sold garden seeds to area residents. Hemlock's ski teams made a fine showing this past year. The girls team slid down the slopes to a perfect 6-0 record and a conference title. The boys kept pace with a respectable 3-3 finish, for third place. Overall, the Huskies took second place in the Conference; a tribute to the excellent guidance of our new skiing coach, Glenn Johnson.

# Junior Play

The class of '79 presented the play "Mummy Sea, Mummy Do," on January 21 and 22. The play was a mystery-comedy, which consisted of three acts. The cast members donated their time, effort, and talents to raise money for their class. The setting was aboard a tramp steamer, with a collection of artifacts from an Egyptian king's tomb. The audience made the inference that there was a live mummy on board, but it was really a coverup for a couple of clever thieves.

# Senior Play

The class of '78 presented the play "'Bolts and Nuts'" on April 21 and 22. The play was a three act comedy taking place in the Bolt Mansion. Rebecca Bolt tried rather unsuccessfully to turn her home into an insane asylum. She drew several inane characters into her home, creating an unpredictably hilarious situation. This, coupled with the intense search for the Bolt fortune, made the senior play a joy to watch.

# Prom Featuring "Legacy"

The prom was carried off with great success this year. It was held on May 13, from 9:00 p.m. to 12:00 p.m. Students danced to the sounds of "Legacy". Mr. and Mrs. Otter, Mr. Blue, and Miss Murphy chaperoned the event which was sponsored by the Junior class.

The gym was festively adorned with the spring time colors of light green, yellow, and white. Wolff Studios was present for the couples who desired portraits taken on this special evening together. It was truly a memorable evening for all those who attended.

# Jr./Sr. Banquet

The Junior-Senior Banquet was a gala evening for all those who attended. It was held May 24, 6:30 p.m. at the Saginaw Civic Center. Ham, chicken, and lasagna were the main courses of the meal. Michelle Wise welcomed the upperclassmen to the banquet and the Reverend Edward Pankow said the opening prayer. After dinner, Eileen Wiechmann addressed the soon graduating seniors. Marilyn Erskine, senior class president, thanked the juniors for organizing the Jr.-Sr. Banquet. Dean Darby and Tom Rogers gave out awards to outstanding seniors. The seniors who won awards received a picture which was related to their special quality. The pictures were drawn by Scott Dempsey, a junior. Award winners are as follows:

# Honors Assembly

The Awards Assembly was a special evening for all those concerned, as teachers presented students with awards recognizing their academic excellence. Mr. Luebker was Master of Ceremonies for the occasion, and he also arranged the entertainment. Michelle Spitz sang "You Light Up My Life" accompanied by Suzanne Turner on the piano, and the 1977-78 Pom-Pon squad performed for the last time. Pat Marko received two of the school's top awards: the Arthur E. Turner Award, and the Principal's Award.

# Time Machine Builders

This devoted group of Huskies worked hard to put together the '78 Yearbook. The staff spent many hours finding the right pictures, writing and correcting copy, working layouts, and having a good time. Jan Tessin, editor-in-chief, heads the list of Yearbook's VIP's, with Bob Vukovich as copy editor. Section editors are as follows: Pat Marko--Administration, Faculty, Seniors; Larry LaPorte--Underclassmen, Ads; Yvonne Wardin--Activities, Organizations; Jim Curtis--Boys Sports; Debra LaPorte--Girls Sports; Diane Abke, Tom Rogers--Photographers; Kevin Kasnerski--Assistant. A special thanks is given to the "Mini-Staff" for all of their extra help, and also to those who sold ads to finance the book. We have many memories, some pleasant, others not so easily forgotten, such as those late-night hours rushing to meet deadlines. And then there were the fun times when we argued over crazy things, and then laughed about everything. With the helpful assistance of Ms. Kossayda, our advisor, we have had the satisfaction of putting together a "time machine" which will last forever.

Fast hands Marko!

# ***Astounding Athletes***

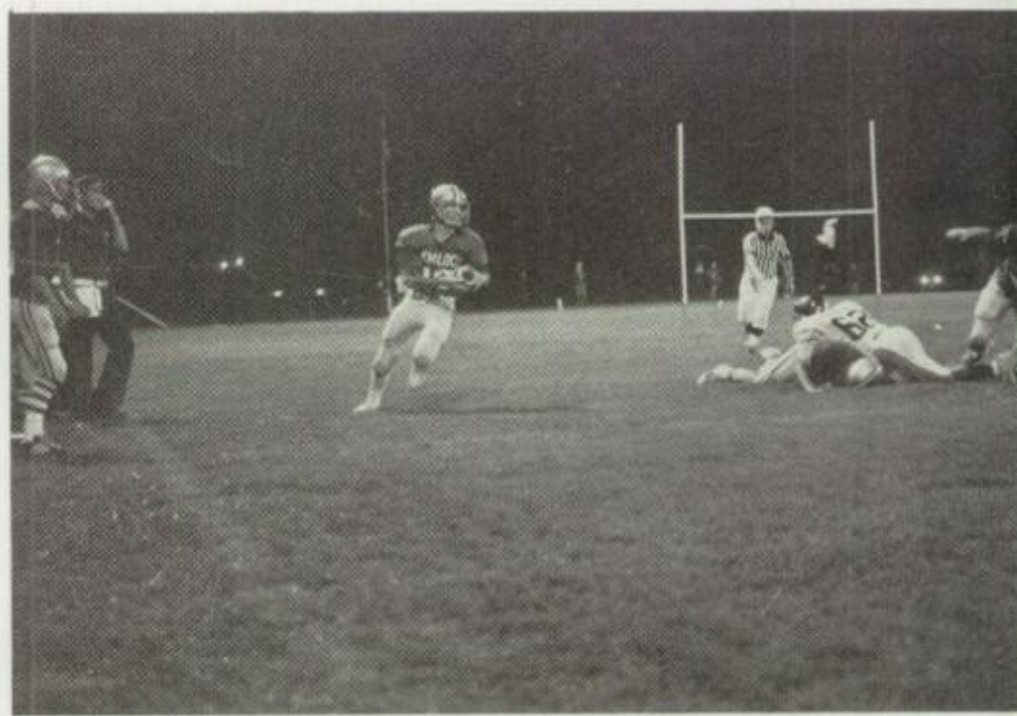

It's a bird! It's a plane! No, it's a Huskie athlete! Whether they run, jump, shoot, or tackle, Hemlock athletes are usually among the best. The students were almost deprived of their sports this year by millage defeats, but thanks to the Hemlock Boosters, athletics were saved. The Huskies made the most of their sports, and worked long and hard to do the best they could. Though not always victorious, our "cream of the crop" were true champions.

# Mid-Michigan B Champs

The HHS 1977 Varsity Football Team had a great season, combining talent and teamwork to win all but one game and emerge as the Mid-Michigan B Co-Champions.

The solid Hemlock defense frustrated many opponents, allowing an average of only 5.88 points per game. The Huskies intercepted 14 passes, recovered 10 fumbles, blocked 2 punts, and scored 2 touchdowns.

The Huskie offense shook opposing defenses, averaging 5.49 yards per play and 18.22 points per game.

A thrilling Homecoming victory over arch-rival Swan Valley was the greatest highlight of the Varsity season. Hemlock was previously picked as the underdog, but the Huskies played their best game of the year and smothered Swan Valley 14-0.

# JV's Make Definite Improvements

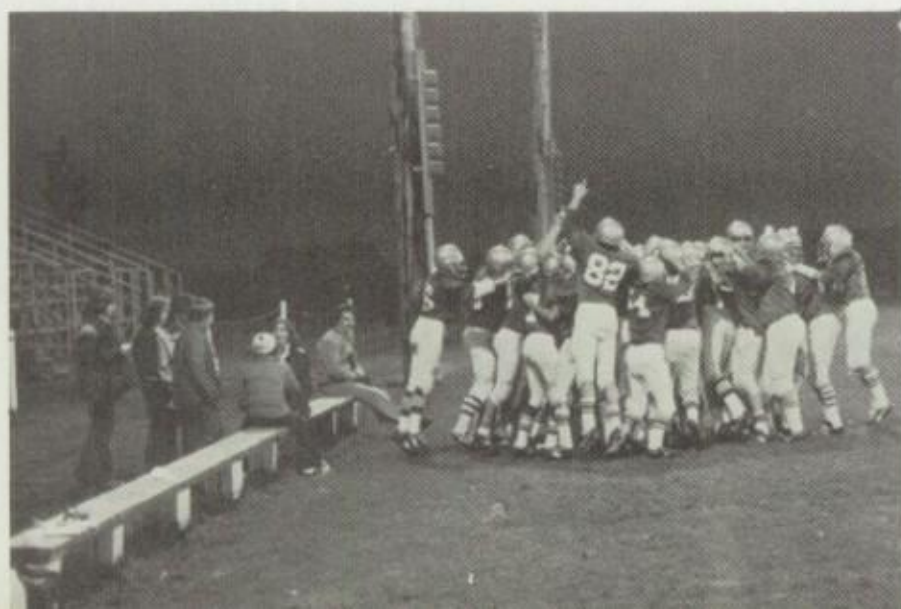

The main objective of the HHS 1977 Junior Varsity Football team was to get ready for the 1978 Varsity season. The J.V. Huskies made definite improvements, bettering their 2-6 Frosh record by winning five games, losing three, and tying one. The J.V.'s showed their talent by winning the last three games of the season by wide margins.

"There are players on this team to fill the shoes of those who will graduate this year," said Coach Don Krueger.

Hemlock's Cross Country team got off to a slow start but ended the season with a record of 4 wins and 3 losses. Without knowing if there would even be a team Coach Rosselit couldn't arrange for any summer practices. This left the team in less than their usual running shape at the beginning of the season. The team made a great effort and came out on top in over half of their meets.

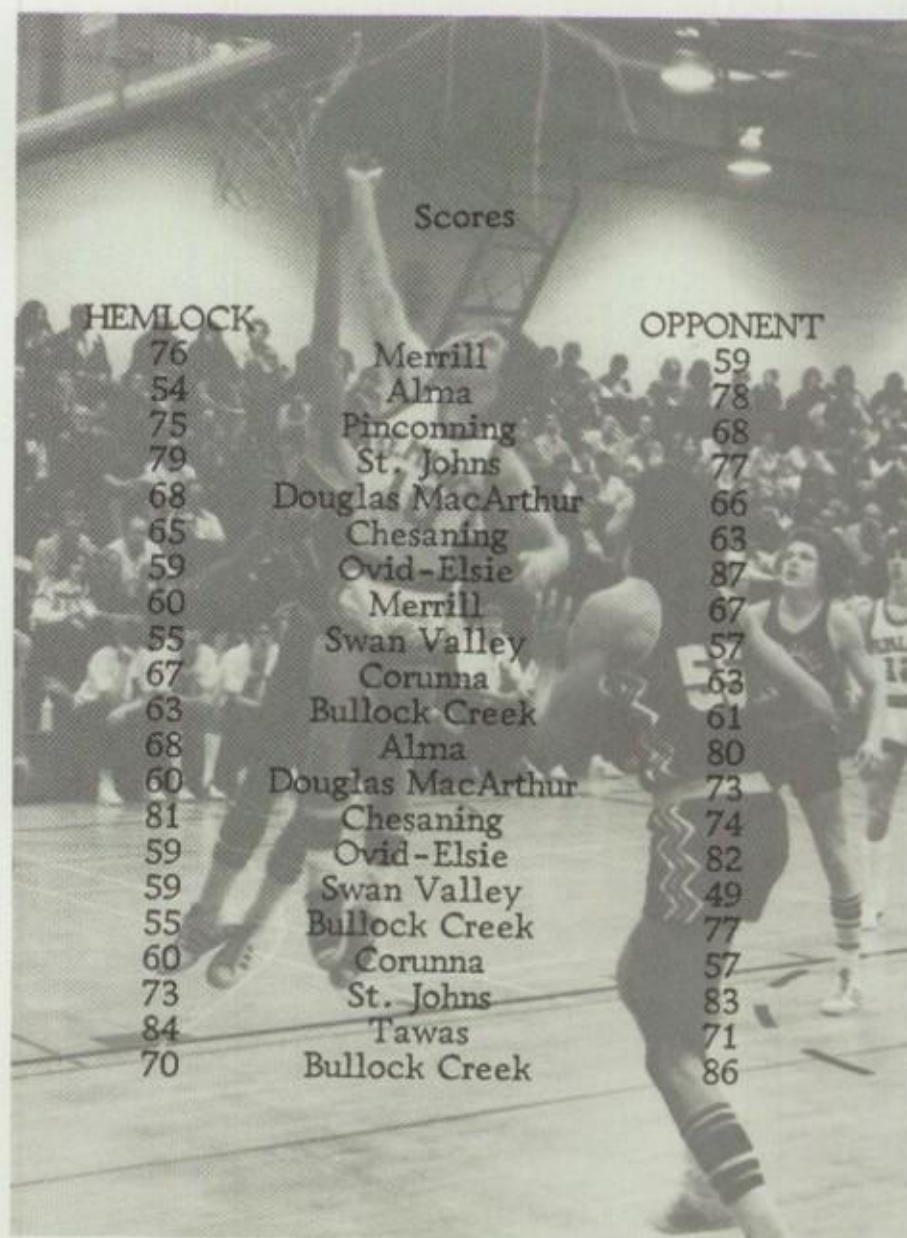

Hemlock's top runner this year was Russ Denter. His fastest time for a 3 mile course was 16 minutes and 26 seconds.

Hemlock's Girls Basketball teams worked hard at practices, but their efforts went largely unrewarded. The Varsity team ended the season with a 2-15 record, while the J.V.'s finished with 4 wins, 11 losses. The season was not in vain, however, as many fine, young players were prepared for next year's action.

One of the Varsity's most exciting games pitted them against St. John's, who had previously beaten them by a 30 point margin. The Redwings won, but this time by only 3 points in a well-contested over-time game.

The HHS 1977-78 Wrestling Team had a very good season. The Varsity team compiled a 10-4 dual meet record and took second place in the Cadillac Invitational and the Mid-Michigan Conference tournaments. The varsity Huskies placed fourth in the District tournament, fifth in the Regional tournament, and seventeenth in the State tournament.

The Junior Varsity team compiled a 8-4-1 dual meet record. The J.V. Huskies took first place in the Hemlock Invitational, second in the Bullock Creek Invitational and third in the Alma Invitational Tournaments.

Although the 1978 HHS Track Team did not fare well in dual competition, some individual performances were outstanding.

Tom Rogers set a new HHS track record with a 42.3 second clocking in the 330 low hurdles.

Bill Beyersdorf (above right) set two new HHS records with a shot put of 54' 1" and a discus throw of 156' 0". He was also first in the State in the discus and third in the shot put. Beyersdorf was named Most Valuable Player for the HHS 1978 track season.

This year's track team did not fare so well, as far as winning any meets, but improved considerably through the year. The team is a young one with a majority of Freshmen and Sophomores. This should provide for an experienced team in future years. Many records were broken this past year, these include:  
Teri McMall- 2 mile  
Sue Kraniak- 880 run  
Julie Wollgast- discus  
Kim Lolomaugh- shot put.

The victors in a volleyball match must win two out of three games and although the Huskie girls won several of their games they won few matches. The Varsity team ended the season with a 1-15 record and the J.V.'s with 0 wins and 16 loses.

In one of the Varsity's most exciting matches they hosted Ovid-Elsie. Although O.-E. won the first game 15-2, the Huskies came back to win the second one 15-7. The third game was a hard-fought battle with Hemlock winning by a score of 15 to 5.

This year's girl's softball team had a slow season with only four wins out of sixteen games. Since most of the girls should be coming back, next year's team should do quite well.

When the girls met Ovid-Elsie for the first time on their own field it resulted in a 9-8 victory for the Huskies. The game was a close, hard-fought win and was tied until the last inning. This victory proved the ability of Hemlock's team efforts.

The All-Sports Banquet, held on May 31, had a nice turnout again this year. The banquet was sponsored by the Sports Boosters, who also supported this year's entire athletic program. Mr. Patrick Doyle, representative of Central Michigan and an alumnus of Hemlock High, was the guest emcee for the evening.

# ***Sensational Seniors***

Our last year in high school is a year to savor; a year to beat all years. It's when we finally reach the top, and everything goes right. Suddenly, we are important; the underclassmen look up to us, and our opinions mean something. We are changing into adults. Our last year in high school represents twelve years of hard work, and is our springboard into a promising future. We are torn by feelings of sadness at leaving H.H.S., but filled with excitement when we think of what is to come. Seniors are special people, and being one is a memory to cherish.

# Class Leaders

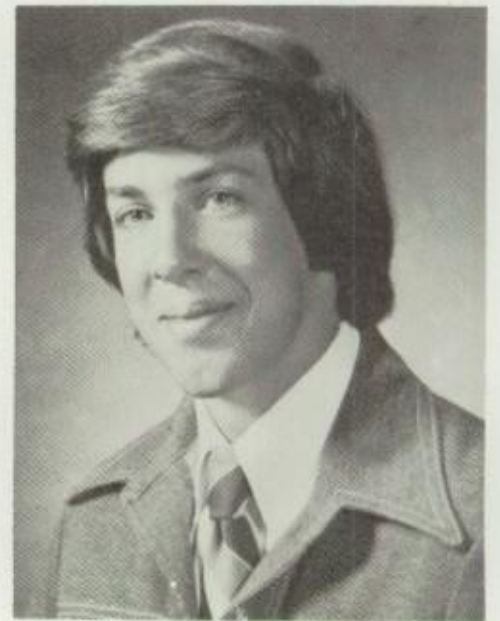

## Valedictorian Beth Hawrot

Beth Hawrot, the daughter of Mr. and Mrs. Casimer Hawrot, is the Valedictorian of the 1978 graduating class. Beth has maintained a 3.9609 grade point average throughout her four years of high school. She has received the awards for Typing I, Biology I, spelling, and American history. During her senior year, Beth was the secretary of Student Council and co-advisor of the Freshman Class. She has been a member of the National Honor Society and of the Business and Office Education Club (B.O.E.C.). She has participated in B.O.E.C. competition for four years. Beth's goal in life is to help those people who are less fortunate, mainly in the area of education. She would like to join the Peace Corps or maybe teach English in Japan someday. Beth plans to attend Central Michigan University this fall and major in speech pathology.

## Salutatorian John Guettler

John Guettler, the son of Mr. and Mrs. Melvin Guettler, is the Salutatorian of the 1978 graduating class. His grade point average is a high 3.929. In previous years John has earned awards in Chemistry I, Biology I and II, German, and American history. He has also been a member of the National Honor Society. The Junior Play was one of the special activities that John participated in. His hobbies include astronomy and reading science fiction. If John had the opportunity to do something for the world, he would like to help solve the energy problem. In future years he would like to reside in Arizona. He has really enjoyed his four years at Hemlock High. John has been accepted as a Regents-Alumni Scholar at the University of Michigan and plans to major in astronomy or computer programming.

Senior Class Officers and Advisors (l. to r.): Mr. Sutton, advisor; Julie Scoles, secretary; Patty Kleppart, treasurer; Kris Bell, vice-president; Marilyn Erskine, president; Mr. Adams, advisor.

## Seniors Shine

The Senior Class has been quite active this year. During football season they were in charge of the concession stand for all home games. In February the seniors along with the student council put on a slave auction. This was the first one Hemlock had experienced. It turned out rather well. For Easter they sold chocolate Easter bunnies, and the Senior Play, "Bolts and Nuts" was a hilarious success in April. Baccalaureate and graduation closed their four years at Hemlock High.

Edson Tavares

Edson Tavares was Hemlock High's only foreign exchange student this year. He is from Minas Gerais, Brazil. He came to Hemlock in the spring of 1977 and stayed for one year. He stayed with the Dempsey family during the first semester of this year. Edson was involved in many school activities. For one, he was very active on last year's track team. He enjoyed the football and basketball games tremendously. Edson thought America was quite different from Brazil, his home land. He will be entering college in Brazil in the fall, but hopes to come back to America someday soon.

# Baccalaureate Creates New Insights

Baccalaureate for the 1978 Senior Class was held on Sunday, June 4, at 3:00 p.m. The Reverend Robert Arbuckle, from the Calvary Missionary Baptist Church of Hemlock, gave the invocation and benediction. This was the first time he officiated at Hemlock. During the service everyone sang the hymn, "Amazing Grace" and Sister Terrie Arbuckle sang two lovely songs. After an inspiring sermon on salvation, the seniors filed out of the gym.

# Graduation Symbolizes A Beginning

The Commencement for the 1978 graduating class was held on Friday, June 9, at 8:00 p.m. The seniors filed slowly into the gym, where all the seats were filled. The Reverend Elmer Schiefer of Zion Lutheran Church officiated. Mr. Sutton, a Senior Class advisor, introduced the salutatorian, John Guettler, while Mr. Adams, the other advisor, introduced the valedictorian, Beth Hawrot. They both gave speeches that expressed the honor of graduation. Soon after the speeches, Marilyn Erskine, the Senior Class President, called forth the seniors individually to receive their diplomas from Mr. William Turner, the president of the Board of Education. The proud graduates then finally strolled out of the gym. Graduation was a truly memorable experience for all.

## To Our Friend, Mike

Police Chief Michael H. Sheridan came to the Hemlock area in 1969 to serve our community. Born in Midland, Michigan, and a graduate of Midland High School, Mike served with the United States Air Force during the Vietnam War before he came to Hemlock with his wife, Karen. After 13 years of marriage, they had their first child, Michael Earl.

During his 9 years of service to our small town, Mike was known and loved by everyone. The big, friendly police chief had touched the lives of almost everyone in Richland Township. Mike was truly a special person. He wasn't just a cop, but a person who was respected, who was loved and who cared.

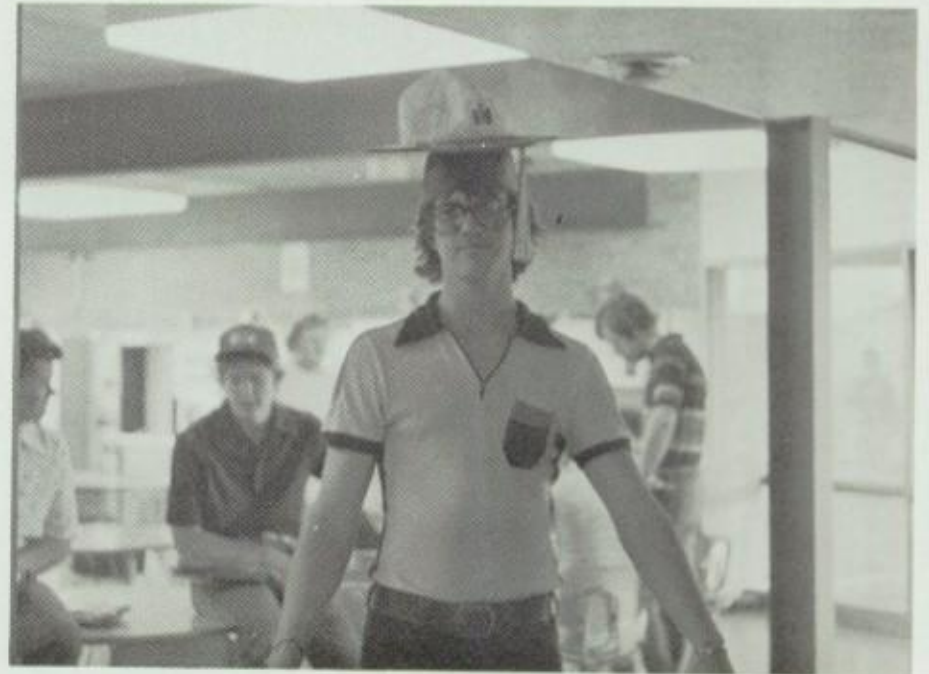

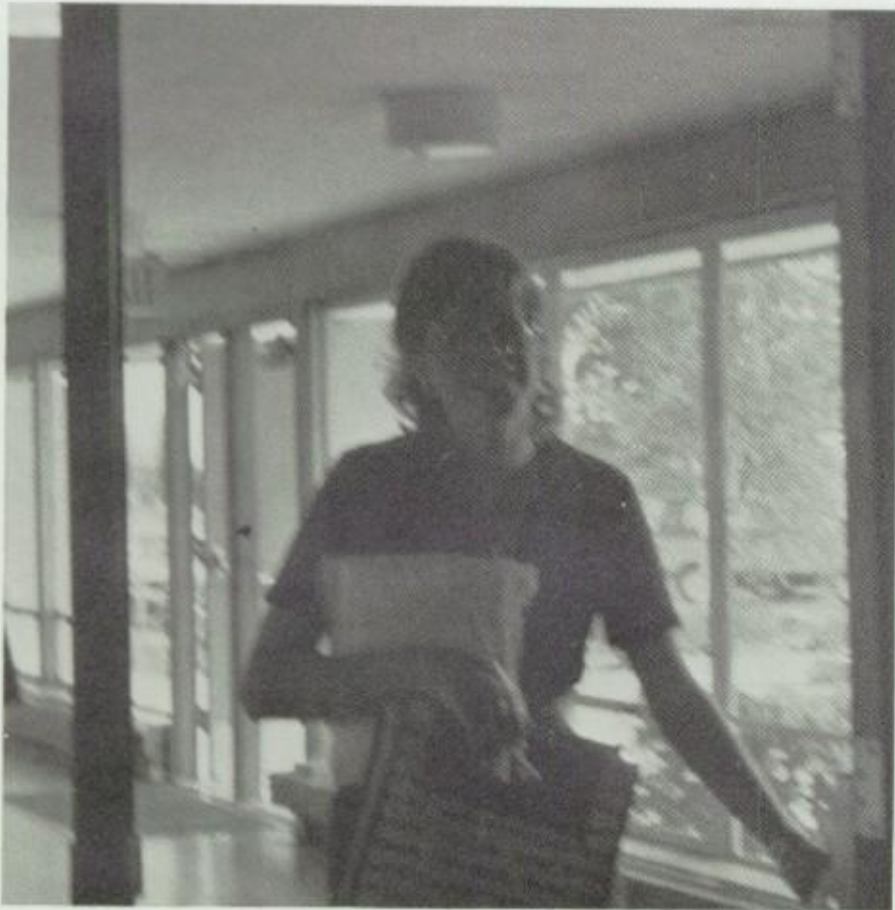

Students liked Mike and that was important. Mike knew how to communicate with kids and it showed. This is why we feel that a memorial to Mike Sheridan is appropriate to keep his memory alive. There will always be a special place in our hearts for Mike. May he always be held in high esteem as a fine policeman, and most importantly, one who was always there -- a friend.

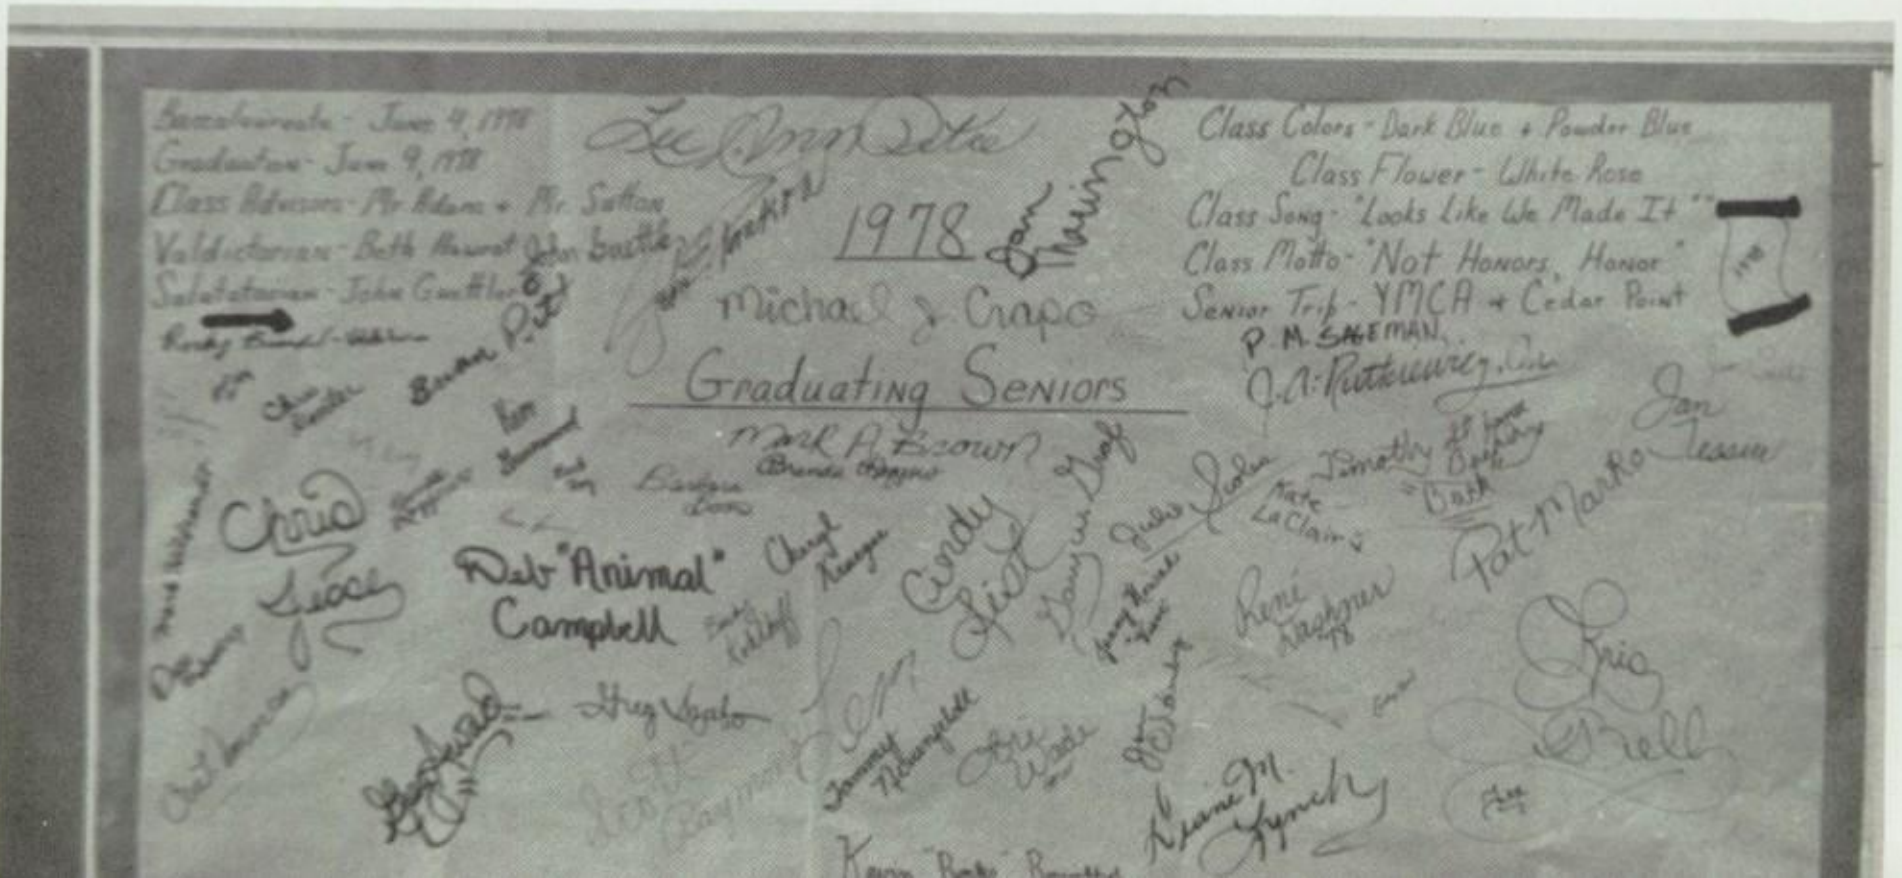

We're anxious to graduate!

# It's Party Time!

The night before the senior trip, seniors attended Senior Night at the Y.M.C.A. Activities were as follows: T.V. games, racquet ball, pool, air hockey, ping-pong, volleyball, swimming, dancing, basketball, and television. Everyone had a good time spending those last hours together.

Memorable moments!

Pool shark!

What do we do now?

Sign him up for the Olympics!

Mr. Taylor had fun too!

# Senior Trip

Seniors had a great time on their trip to Cedar Point. The bus left the school at 6 a.m. bright and early. They had many fond memories of that special day. Everyone was tired by night, and it was a fun and action-packed day for the class of '78.

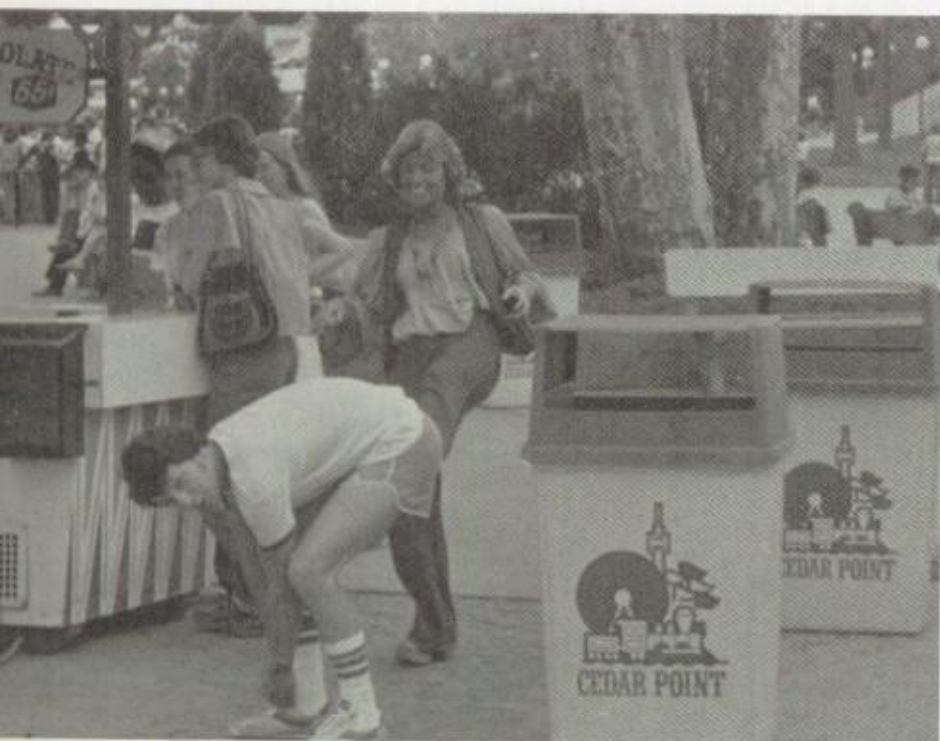

A bird's eye view

Are we there yet?

Pitstop time

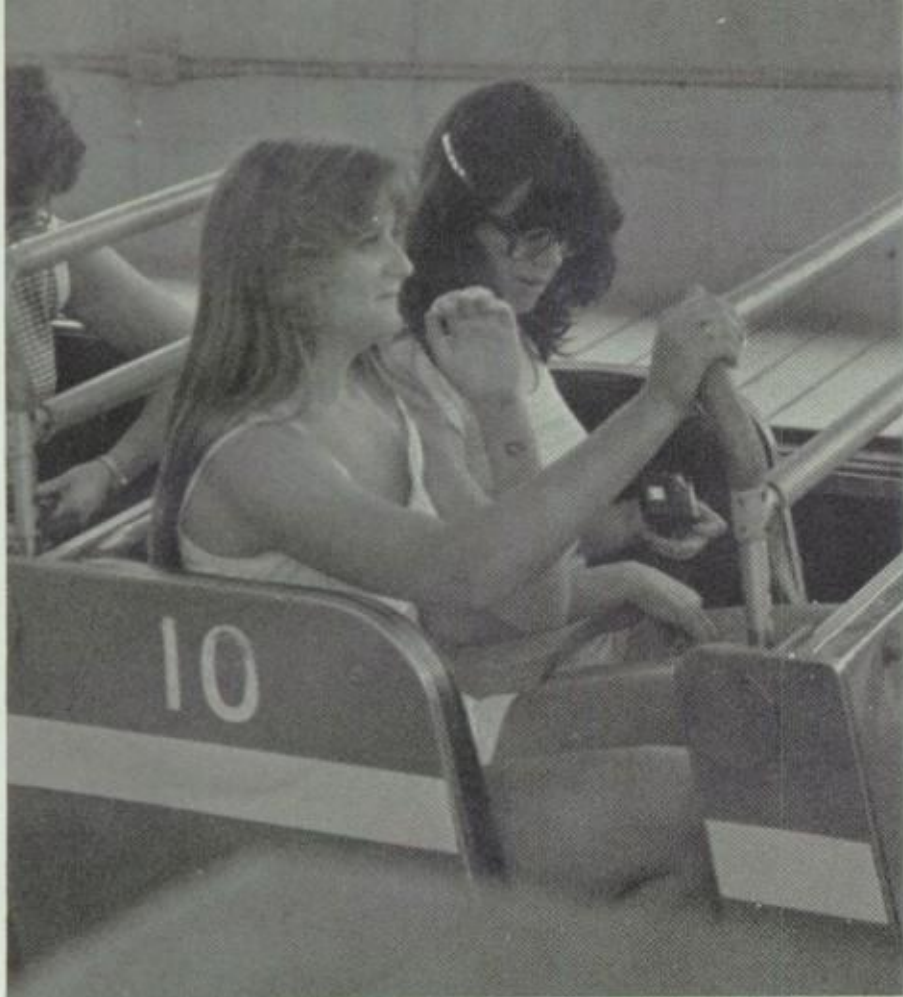

She couldn't resist

Do we know you?

We're on the ground

Speedy rider!

I think I'm sick!

Who are these strange men following us?

Cedar Point-  
Go For It!

# Signing Off!

## From The Editor

I think the one thing I'll never forget is the last week that we worked on the book and how Bob and Yvonne nearly drove me nuts!! Stamp and ink fights will stay fresh in my memory! I know I'll always remember these times of putting the book together.

These last four years have quickly passed away and now it's time to look towards the future. They were fun years spent with friends we loved and teachers we enjoyed. With the book, we have caught some of those special moments and I hope you've enjoyed looking back.

I know I have grown in many ways this last year of school, and when I think about what I have ahead of me in life, it's exciting!

The land of make-believe is gone and now we as senior graduates must face reality. There are many new bridges to cross, many new horizons to broaden. Whatever opportunities await us in life, we must remember that we are here for a purpose. We must "reach forth unto those things which are before." (Philippians 3:13) With His help, I know I can!

God Bless!
